8 Airborne has shown great speed for the new trainer and he has by far the best capacity in this company. Should avoid a mistake with this number. Hard to beat. 2 Albert Zonett has been matched against tough opponents and is better than the latest results show. He is in good form. 1 Jonatan Trot finished strongly with this number on Solvalla and could get a nice inside journey again here. 7 Bottnas Explosive is tough and has the right attitude. He would prefer quick pace. Outsider.
