28.000**

1. LA BAROCHE - Ultra consistent filly in the claiming division. Won over course & distance two starts ago and can step up in grade successfully

2. JACKSON DIGEO - Won on first start last year but showed little of note in two outings this season and has a bit to find

3. DELLA DE LOIRE - Three places from four starts in both codes and cannot be excluded of the equation

4. RAMSES DE LAUNAY - Beaten 23L when 4th to LA BAROCHE (1) on penultimate start. Showed progress last time out but still plenty to find

5. GOLD PRETENDER - Has not shown anything of note in three starts to date. First run for new yard and is best to watch for now

6. GOLDEN EYES - Just the one place from four starts to date and recent form is far from inspiring. Hard to fancy

Summary : LA BAROCHE (1) has been extremely effective in the claiming hurdle division this season and looks a solid proposition on her first attempt in a handicap hurdle. RAMSES DE LAUNAY (4) was a long way behind the selection at the venue on penultimate start but did show some progress last time. It is hard however to think that he can reverse the form. After a promising win first time out last year, JACKSON DIGEO (2) has been struggling this season but can always bounce back at a nice price.

2. ILLICO DES BORDES - Has failed to make an impact in seven previous outings over the obstacles. Off since November and others are preferred

3. PARTICULIERE DREAM - Promising hurdler in early days but lost his way at the end of last year. Off since December but will be fit to go

4. YOU YOU - One place from two starts on the flat last year. Off since May 2022 and makes hurdle debut

5. PARIS BY NIGHT - One time winner from nineteen on the flat. Poor recent form and can only improve for hurdle debut

6. PATRICK - Twenty-seven starts maiden who is off since December. Possibly more effective over fences and can be watched

7. INTELLO COUNTY - Had a good start to the year before flopping in last two. Has been supplemented and can redeem himself

8. TZARA DE GUERLEDAN - Has run with credit on both outings thus far, including last one over course & distance. Open to progress

9. TAGADA DU DONJON - Pulled-up in only previous outing over fences at Questembert on 21 May. Hard to make a case for

10. FULL OF SYS - Modest mare on the flat and was unplaced in only previous outing over hurdles. Not a priority

Summary : INTELLO COUNTY (7) enjoyed a good start to 2023 over fences before losing his way in last two outings. He has been supplemented and is taken to redeem himself. PARTICULIERE DREAM (3) looked like a very decent hurdler in his early days and should be ready for a good run after an extended winter break. MAGIC DAVIER (1) is the most consistent horses in this line-up and warrants respect. The unexposed TZARA DE GUERLEDAN (8) cannot be excluded of the equation.
