2 Twigs Mind U. won easily from the lead in the last race and seems to develop well. Tough and strong - and an early challenger to the favorite. **7 Mervellieux Sisu** is consistent and with the right defensive journey he will finish strongly. **1 Man Of War L.A.** is gifted, but gallops a lot. In the mix without a mistake.

10 Dominik Broline has done very well this year and looks to be in great form. A good horse who should have the best chance to win this race even though he faces quite tough conditions money-wise. **1 Västerbo Outlander** can hardly hold the lead from here, but is an early contender with the right journey. **7 La Grande Evasion** has been consistent but is still without a win. Needs a nice journey to be in the mix. **6 Jubla Vasterbo** comes in good shape but does not win very often.

4 Oh Mogen galloped straight from the start last time. He has been a scratch before this race but should still have a good chance of winning. **3 Risårigel** has been at least third in six starts this year. Is good for this class and the main challenger to the favorite. **6 Aston Ell** is not that bad and with two runs under his belt he is approaching top form. **1 Skånepågen** has a good starting position, but is primarily a place bet.

He owns good speed and will be fighting for victory without a mistake. **5 Bravo Sabotage** is a quick starter and the likely leader. Will lead the race for a long time **4 The Bald Eagle** has been improved a lot in the last two starts and could cause a surprise from this good starting position.

2 General Silvio has won three of the last four starts. The five-year-old is two out of two with Sandra Eriksson and will be hard to beat. **11 Speed Matters** has put in several good efforts towards the end. Passes most of the opponents and the chances increase if the pace is high. **4 Fix You** doesn't win very often but is coming from victory. Can open fast and is in fine form, but is mainly a place bet. **6 Like Magic Sisu** galloped in the last race but was good in the previous races. Will certainly be in the mix again.
