3 Promiss Håggenäs kept up the pace well to third last Friday on Eskilstuna. Nice number over the short distance now. Our pick. 5 Lockdown Lady found the lead in the last run but gave it away. Was unlucky then but kept up the pace alright when she found room. This short distance should suit her well. 2

Blindspot won in the lead on Mariehamn on May 18th but has not started since then. Should be considered early here too. 1

Regera Hall gave up from outside the leader last Friday on Romme. Early contender in this company.

8 Jeppas Uppercut has not raced since March and the form is a question mark. Has earlier shown good skills in the V75 in Sweden. Our pick. 2 Twilight Angel has done well in three starts this year. Likes to race on his home track and is ideally drawn behind the gate. 6 Dazzling Diva won when she visited Mariehamn the last time. Is not a very quick starter behind the gate but will defeat many opponents at the end. 9 Mister Lucky Sox is a lot better than the last results show and should not be overlooked behind the favorite.

3 **Mystery For Ever** scored a comfortable win on Mariehamn on July 8th. Galloped under attack from far back with 1300 meter to go on Turku on July 24th. Good chance. 1 **Charlie Trot** found the lead and won with this number on Färjestad in February. He has not started for a while now but has to be considered early. 8 **Staro Quincy** was a bit slow in the last race on Gävle but we think he is on the way up. Faces quite easy opponents here. 2 **Sure Win** could have place chance here with the right journey.

5 **Ken's Carlos** got a tough journey from outside the leader in the last race on Vermo but was brave. Wins often and has ten wins in 24 starts so far. Our pick. 1 **Madewithlove** galloped suddenly with 850 meter to go on Romme last Friday. Will be interesting to see in the lead now. 6 **Jeppas Unplugged** is consistent and good. Could cause an upset here but needs some racing luck. 7 **Show Time** has not won for the last two seasons but has place chance here with the right trip.

4 Dozen of Oysters is interesting in this comeback. Has not started since January but Sjöström is pleased with his horse who has worked 22/2100. Our pick. 2 Joy Alissa is in great shape and faces nice conditions here with this number and this distance. Early contender. 3 Västerbo Grosbois is twelve years old and not as good as he used to. On his home track he could fight for a place here. 5 Dior Ima is consistent and good but does not win very often. Could be in the mix but needs some racing luck.

1 Precious Rock has top chance here if he handles this number. He got a defensive start in the last run but finished very fast on the home stretch without being empty. 3 Reckless Tile has done well against quite tough opponents lately and is an early contender behind the favorite. 5 Lukanos was very tired on Romme last Friday. Is good for this class and possible here if improved by that run. 6 Massai will get a defensive trip and could score a place with the right journey.
