Auto 2140

5 **Twigs Honor** is our pick in this debut under the saddle. Is ridden by Jonathan Carre and the horse was fourth after a good effort in the last run. 3 **Mellby Galanga** needed the last run under his belt. He did alright then and faces nice conditions money-wise here. 6 **Weather Chart** also makes his debut in this discipline. The horse had been a non-starter due to fever before the last run and should be improved now. 2 **Uret** scored seven wins under the saddle last season but has not been as successful this year. He should of course not be discounted.

7 **Brenne Odin** is a nice cold-blood horse. He finished very fast to a close victory in the last run from far back and after a wide final turn. 3 **Holter Odin** was second behind our banker in the last race on Hagmyren. He could take revenge here and is an early contender behind the favorite. 6 **Wolt** can do better than shown last Saturday. Finished fast in the race before and could be in the mix here. 1 **Järvsö Kurt** is the only horse in the first circle and could lead this for a long while. Interesting outsider with this number.

10 J.H.Million was poorly drawn and met several good horses in the last race on Jägersro. Debut over the long distance now but he faces easier opponents this time. 2 **Global Decade** makes his debut over this 2640 meter too. Won comfortably in the lead on Visby and is an early choice in this company too. 6 **Steady One** is chasing the first win ever. He never found room after an inside trip in the last run. Possible here. 7 **Victor Southwind** got a tough journey from outside the leader in the last run. Was brave and should not be overlooked.

He stands this long distance. 2 **Myrsjös Timeout** is the main challenger. Comes from a strong victory on Gävle and is driven by Mika Forss this time. 6 **Strong de la Hoya** needed the last race after having been a non-starter. Is driven by Magnus A Djuse now. Interesting. 12 **Wilda Knight** scored a good second spot two starts back. Will get a nice defensive trip with Kihlström here.

9 H.C.'s Crazy Horse put in a splendid effort last Saturday. Looked on the way to victory despite a tough journey but got defeated after a photo finish. Could take revenge directly here. 10 Mellby Imperial is the less experienced horses in this field but is good for this class. Finished strongly to a second spot and can do it tough. 6 Greensboro Zet is driven by his trainer this time. Has not been at his best lately but is really good for this class. 7 Corazon de B. was not at his best in the last run. Faces perfect conditions money-wise this time.

6 Decathlon is well bred and has won five out of nine races so far. He has not tested this starting method since the debut and then he galloped. Nice chance without a mistake. 10 Never Mind'em could not reach the top duo on Romme last Friday but finished strongly and this four-year-old is developing well. 7 Jalapeno K. was pressed in the lead two starts back but won comfortably anyway. Interesting if he could reach the front here. 4 Loaded Olle was interfered in the last run. Should handle this tricky number.

Is driven by Djuse. 3 Global Badman likes to run in the front too and will certainly go for the lead. Had energy left in a heat to Sweden Cup on May 27th. 1 Best Ofdream Trio scored a splendid win on Rättvik during the Midsummer weekend. Will certainly get an offensive start with this number. 6 Mister Hercules is up and down. Possible here in case of quick pace.

Good chance with the right trip. 7 Kinge Svarten would be interesting to see in the lead. Won in that position three starts back. Faces nice conditions money-wise. 6 Ros Borken scored a sensational win in the V75 on Östersund in June after a nice defensive trip from behind the leader. Could cause an upset again. 10 Gristlefaksen G.L. galloped fighting for a place in the last comeback race. Is fast enough to be in the mix.

6 Southwind Boko has started four times this year and won on all occasions. In the last run she pass all opponents despite poor number twelve. Tougher opponents here but good chance to win. 5 Mitzy Gold galloped suddenly in the last run. Is normally reliable and uses to meet tough opponents. Can open fast. In the mix. 3 You to Ezme tried to make it to Stochampionatet two starts back. She is better than the latest results show and has to be followed. 1 Izola Silvåkra finished fast to sixth and has got a nice number behind the gate.

3 Need'em has put in three good efforts this year. Got a tough journey the final 1200 meter in the last run and was brave. Can open fast and is our pick. 9 Kendall Jackson did not find room until the middle of the home stretch in the last run and was not empty. With a better journey he will challenge for victory. 6 Gatling is Goop's pick out of three horses in this race. He shown fine form in the last two starts back and is good for this class. 4 Bettle Hanover had a number in the second line in the last run and never got a real chance. 3 Castor the Star got defeated as a big favorite in the last run but did alright anyway. Longer distance now but we think he will handle that well. Good chance. 4 Versace Face likes the long distance and scored a good third spot on Jägersro. Was not empty at the end in Harper Hanovers lopp on May 27th. 2 L.A.Boko was bit fiery from outside the leader last Saturday. If he handles these tight starts he will be in the mix again. 6 Amalencius B.B. has not started since November. Is good for this class. Outsider.
