**8 Hydra** won a V75 race three starts ago and has been impressive ever since. Going down in class and even though the mare is best in the lead this looks like an appropriate task. **2 Qojak V.W.** followed bravely as third in the last race. Is a quick starter and should be able to take the lead - and from there he will fight well. **4 Kencio Jaam** has put in two good efforts after a long break from racing. Has to be considered. **3 Bring Me The News** has an increasing form curve and will now run barefoot for the second time in his career.

**5 Elle** finished well in the last race behind a really sharp Vik Tor. The trainer's choice in this race and ranked highest in a wide open cold-blood race. **3 Nicoine** will probably take the lead and if she avoids a mistake the all the way she will not be easy to catch. **12 Mjölner Sigyn** has done well so far and should be seen as a hot candidate for victory despite this double handicap . **10 Fakså Ö.K.** finished well in the last race three wide. Can surprise with the right trip from behind.

**8 Always A Pleasure** comes back after a pause but uses to do well straight away. Quick starter and gets an offensive trip. Good chance. **4 Hard Center** uses to do well but hasn't convinced so far this year. Good for this class and should not be overlooked. **6 Vicar** didn't impress last time but can do better than that. Has the capacity to be in the mix, but then the pace needs to be high. **7 Babsan Bankir** just kept up the pace in the last race. The form is a question mark but the horse runs barefoot for the first time in a while here.

In the mix again. **5 Elskerinna** is consistent and good, but has not won a race since April last year.

**8 Fancy Free** is a good 5-year-old who scored a good win in the last race after not starting for seven months. Should be improved now and he has a good chance of winning. **9 Sommarflörten** finished quickly in the last race and showed good form. He will pass many opponents here. **1 Picture Perfect** is ideally drawn and with two runs under his belt should be close to top form. **3 Javelle** got locked in last time with energy left and scored a cheap but nice win before that. Could cause a surprise with the right trip.

Comes back after a break. Normally in the mix. **4 Champagne Power** found the lead to score her only win so far and if she gets there again her chances will increase.
