RACE 1

WILLIAM HILL EPIC BOOST FILLIES' NURSERY HANDICAP (5)
2yo fillies (Rated 0-75) £8,000 1m (1610 Metres)

Going: **Standard to Slow**

Kempton is a right-handed, polytrack, flat, oval-shaped course with two loops. The inner circuit, used for races over five and ten furlongs is sharp and has a finishing straight of just under two furlongs, favouring the speedy, handy type, markedly so over the minimum trip. The turn on the outer course is more sweeping and the straight is approximately three furlongs long, making for a fairer test. Over both five and six furlongs, there is a relatively short run to the first bend.

Draw: **N/A** Pace Information: **Even**

1	8	FOREST BERRY (12) (D)	h	96
	7242411	2 9-11 62.1kg		
		Sir Mark Prescott Bt Dylan Hogan Improved to win last 2 starts, scoring at Wolverhampton 19 days ago then Musselburgh a week later, though didn't settle for either success. Still learning and a 6 lb rise may not be enough to stop her in pursuit of the hat-trick.		
2	3	WOODHAY WAYFARER (IRE) (30) (D)		99
	8551	2 9-8 60.8kg		
		Tom Ward Billy Loughnane Off the mark on nursery debut at Newmarket over 1m last month, showing improved form and benefiting from the step up to this trip. Up 6 lb but going the right way and merits respect back on all-weather.		
3	2	GREEK SYMPHONY (22)		100
	32133	2 9-7 60.3kg		
		Oliver Cole Mason Paetel (3lb/1kg) Off the mark over 7f on all-weather at Lingfield in July and ran well when third in nurseries last 2 starts, not far behind a subsequent winner at Epsom on latter. This step up to 1m may unlock further progress so she's one to take seriously.		
4	6	PEQUENITA (19) (BF)		96
	432	2 9-5 59.4kg		
		Andrew Balding Oisin Murphy Well bred and in top hands but has made frame all 3 starts without finding any major progress, including when turned over at short odds in a similar event over this trip last time. Still one to view positively given pedigree and connections.		
5	4	CRAZY CUBANA (IRE) (37)		98
	1030	2 9-5 59.4kg		
		Ed Walker Pat Cosgrave Fair form first 3 starts but well held in a higher grade at Goodwood last time when racing freely in first-time cheekpieces. Bit to prove after that but now back on all-weather with headgear removed and trying a new trip.		
6	1	MAGNESIUM (42) (C)		92
	7100	2 9-5 59.4kg		
		John Butler Rossa Ryan Won a novice over 6f here in May but was out of her depth in 2 Group 3 races since. Makes nursery debut back at the scene of her win but has stamina to prove for 1m.		
7	5	ATTACK ATTACK (44)	b	90
	0035	2 9-3 58.5kg		
		George Scott Liam Wright (3lb/1kg) Modest form at best to date and was well beaten when fifth of 5 on nursery debut at Doncaster in July. First-time blinkers employed for all-weather debut upped to 1m.		
8	7	GOLDEN OASIS (10)		94
	851U	2 9-2 58.1kg		
		Robert Edwards Rob Hornby Got off the mark in a weak maiden at Chepstow in July but unseated rider early on nursery debut at Newbury 10 days ago. Progress required for this step up to 1m.		

8 DECLARED RUNNERS

BETTING FORECAST:

11-4 Forest Berry, 3-1 Woodhay Wayfarer, 4-1 Greek Symphony, 5-1 Pequenita, 18-1 Magnesium, 28-1 Crazy Cubana, 33-1 Golden Oasis, 33-1 Attack Attack

TIMEFORM VIEW:

GREEK SYMPHONY won her previous outing on the all-weather and has acquitted herself well on turf the last 2 starts, including behind a subsequent winner last time, so any progress for this step up to 1m could mean she's hard to beat. Recent winners Woodhay Wayfarer and Forest Berry both come here on the up and look sure to be in the mix, too.

TIMEFORM 1-2-3:

WILLIAM HILL LONDON MILE SERIES FINAL HANDICAP
(Series Final) (2) 3yo+ £70,000 1m (1610 Metres)

1	6	TWO TEMPTING (IRE) (14) (CD)	96
	213-23304	7 9-12 62.6kg	
Jonathan Portman		Rob Hornby	
Three-time C&D winner and has made frame 4 of 5 starts this year, including when fourth of 13 at Chester 14 days ago, stepping up appreciably on his return from a break. Can prove competitive back at favoured venue, but may prove vulnerable to younger legs.			
2	13	POPMASTER (IRE) (28) (CD)	97
	12270446	8 9-10 61.7kg	
Ed Walker		Billy Loughnane	
Useful efforts when fourth at Epsom in June and Sandown in July, but run of good form came to a halt when sixth of 10 at Ascot 28 days ago. Returns to Kempton where he is a 3-time course winner, including over this trip and has a positive jockey booking.			
3	10	SUPIDO (FR) (27) (D)	96
	858-13740	4 9-8 60.8kg	t
Ian Williams		Rowan Scott	
Won over 75f at Chester in May but mixed form since, coming fourth of 13 at Newmarket in July before poor effort at Deauville last month. Now tried in tongue strap and needs to prove himself on all-weather.			
4	4	NIKOVO (36) (D)	96
	60854331	7 9-6 59.9kg	
Michael Herrington		Oisin Murphy	
Model of consistency since the turn of the year and improved when winning at Newmarket from 9 runners 36 days ago, exploiting his lower turf mark. Form of that success has been franked by the second since so he's not discounted despite this looking a much stiffer task.			
5	11	CAVOLO NERO (17) (CD)	100
	843-23411	4 9-6 59.9kg	★
Harry Eustace		Kaiya Fraser	
Progressing well and won at Yarmouth in June before switching from James Ferguson and following up over C&D 17 days ago when making light of a difficult tactical position to win readily. 5 lb higher mark looks well within his capabilities if wide draw doesn't prove a hindrance.			
6	1	THE LIFFEY (IRE) (38) (CD)	95
	66115112	5 9-5 59.4kg	b+t
Hayley Burton		Rossa Ryan	
Reformed character who won a trio of claimers in Ireland for Denis Hogan before scoring in a handicap over C&D on stable debut in July. Excellent second of 20 at Goodwood over 7f later that month and he's hard to rule out in current heart.			
7	2	PERCY'S LAD (18) (C, D)	96
	4/0062615	8 9-3 58.5kg	s
Daniel & Claire Kubler		Ebrahim Nader	
Won here over 7f last month but disappointed when fifth of 9 at Wolverhampton 18 days ago, that possibly coming too soon under a 4 lb penalty just 6 days after his win. Returns to Kempton with first-time cheekpieces and is well drawn to suit his style.			
8	8	DINGLE (IRE) (72) (CD)	96
	02-173000	8 9-2 58.1kg	
Julie Camacho		Callum Rodriguez	
All 7 wins on all-weather including twice over C&D but badly out of sorts last 3 starts which means he's hard to fancy in this company.			
9	9	I'M WORKIN ON IT (68) (C)	96
	11441204	4 9-0 57.2kg	s
Rod Millman		George Wood	
Most reliable at this track and has recorded all 4 wins here. Ran well to finish fourth of 14 over C&D when last seen in June and should give running once more, but this level may be a bit beyond his paygrade.			
10	3	EXPOSURE (17) (D, BF)	97
	4265-7434	4 8-13 56.7kg	
John & Thady Gosden		Benoit de la Sayette	
Has been consistent rather than progressive since joining top yard. Not beaten far when fourth of 9 over C&D 17 days ago but lacked a change of gear in the finish and more is required here.			

11	5	WARRIOR MODE (24) (CD)	98
	14380-31	4 8-13 56.7kg	
Sir Mark Prescott Bt		Dylan Hogan	
Made a positive return from an 8-month absence at Newmarket in July before winning a handicap over C&D as 5/4F 24 days ago. 4 lb higher mark and much stronger opposition to cope with here, but he's unexposed at 1m and in the right hands to progress further.			
12	14	BLUE PRINCE (IRE) (14) (D)	96
	9-3313317	5 8-12 56.2kg	
David Evans		Pat Cosgrave	
Won a claimer at Chester 34 days ago but struggled stepped up to Class 2 level there 14 days ago and may again prove vulnerable back on all-weather.			
13	7	VICTORY ACE (17) (CD)	99
	8-1265111	3 8-12 56.2kg	
John Butler		Finley Marsh	
Thriving at present with 3 consecutive all-weather wins, the latest an impressive 4¼ length victory over C&D 17 days ago. 10 lb hike in the weights demands a lot more but he's hard to rule out given his rapid upward trajectory this year.			
14	12	VINCENT ROCKS (IRE) (42) (D)	96
	119-03025	4 8-11 55.8kg	v
Ruth Carr		Warren Fentiman (3lb/1kg)	
Second over C&D in July with visor on for final outing for Hugo Palmer. Creditable fifth of 14 going without headgear at Newcastle 42 days ago on first run for new trainer. Visor back on and needs a step forward up in grade.			

14 DECLARED RUNNERS

BETTING FORECAST:

4-1 Cavolo Nero, 6-1 Warrior Mode, 17-2 Victory Ace, 17-2 Percy's Lad, 12-1 Exposure, 14-1 Nikovo, 16-1 Popmaster, 16-1 The Liffey, 20-1 I'm Workin On It, 20-1 Supido, 25-1 Two Tempting, 28-1 Vincent Rocks, 33-1 Blue Prince, 66-1 bar

TIMEFORM VIEW:

CAVOLO NERO made light of a difficult tactical position when winning readily over C&D 17 days ago on his first start for new connections and is fancied to defy a 5 lb rise in this stronger contest. Victory Ace is thriving with 3 consecutive all-weather wins, the latest an impressive success at this track, and is hard to rule out despite a 10 lb rise in the weights, while Warrior Mode may have more progress in him, too.

Over both five and six furlongs, there is a relatively short run to the first bend.

Draw: **N/A** Pace Information: **Weak**

1	6	DUBAI FUTURE (27) (CD)	s	93
		366-84193 10 9-10 61.7kg Saeed bin Suroor <i>Jack Mitchell</i> Smart veteran who bagged another Group win when just holding off Sweet William in Henry II Stakes at Sandown (2m, good) in May. Good ¾-length third (Tornado Alert nose back in fourth) to Tiffany in German Group 1 latest but has a penalty to shoulder back in a Group 3 and likely vulnerable.		
2	5	ALMERIC (27)		95
		1/119-3336 4 9-7 60.3kg Andrew Balding <i>Rob Hornby</i> Developed into a smart colt last year, bagging listed races at Newmarket and Ayr. Best effort since when ¾ lengths third of 6 to Ombudsman in Brigadier Gerard Stakes in May. Below par when behind a couple of these rivals in a German Group 1 last month. Makes polytrack debut.		
3	2	CONSTITUTION HILL (164) (CD)		89
		11 9 9-7 60.3kg Nicky Henderson <i>Billy Loughnane</i> Exceptional hurdler at best, winner of 8 consecutive Grade 1s, including Champion Hurdle in 2023. Switched to the Flat after suffering a series of falls and impressed when winning a pair of all-weather novices (C&D latterly) in February/March. Capable of making his mark in much stronger company.		
4	3	GETHIN (IRE) (63) (C)	★	100
		1/122-125 4 9-7 60.3kg Owen Burrows <i>Callum Rodriguez</i> Reappeared to win listed Magnolia over 1¼m here in April. Very smart effort when pushing Ombudsman close (albeit in receipt of 7 lb) in the Brigadier Gerard at Sandown in May. Possibly unsuited by fast ground when disappointing in the Eclipse back there in July. Can bounce back with a bang.		
5	4	PRIDE OF ARRAS (IRE) (42) (D)		98
		1/10014-82 4 9-7 60.3kg Ralph Beckett <i>Rossa Ryan</i> Has an excellent record at York, winning Dante and Great Voltigeur last year and shrugged off a disappointing reappearance in France when chasing home subsequent International winner Item in the Sky Bet Stakes there at the end of July. Has the form to go close at the least on this all-weather debut.		
6	7	TORNADO ALERT (IRE) (27)		97
		31/4621-4 4 9-7 60.3kg Saeed bin Suroor <i>Oisín Murphy</i> All-weather maiden winner at 2 and showed smart form last year, culminating with 1¼m German Group 1 success under Oisín Murphy. Reopposing stablemate Dubai Future was narrowly ahead of him in another German Group 1 on reappearance but he should turn the tables on him in receipt of weight now.		
7	1	WARRANT HOLDER (IRE) (56) (D, BF)	t	98
		21231-120 4 9-7 60.3kg John & Thady Gosden <i>Benoit de la Sayette</i> Resumed with cosy success at York in May and very smart handicap performance when second of 17 in Duke of Edinburgh at Royal Ascot (1½m) in June. Below par when tenth in John Smith's Cup back at York last time but freshened up since and capable of making an impact at Group 3 level if back to best.		

7 DECLARED RUNNERS

BETTING FORECAST:

15-8 Gethin, 4-1 Constitution Hill, 5-1 Pride of Arras, 13-2 Tornado Alert, 9-1 Warrant Holder, 25-1 Almeric, 25-1 Dubai Future

TIMEFORM VIEW:

GETHIN is quite a keen goer but his near miss in a French listed race last autumn shows he has the stamina for 1½m and he can bounce back from his below-par run in the Eclipse and prove too strong for Pride of Arras and Tornado Alert. Outstanding hurdler Constitution Hill showed enough in 2 all-weather wins in the spring to think he can make his presence felt in Group races on the Flat.

TIMEFORM 1-2-3:

1	4	ADAAY OF SCARLETT (IRE) (15)	s	98
	1122225	2 9-3 58.5kg	Rossa Ryan	
Hugo Palmer Opened his career with wins at Newmarket and Ascot and runner-up next 4 outings at listed/Group 2 level, including in Richmond Stakes at Goodwood (6f). Failed to travel with the same fluency as usual on softer ground than previously in the Gimcrack latest but is the type to bounce back quickly.				
2	8	AGAMEMNON (15)		94
	618324	2 9-3 58.5kg	Finley Marsh	
Richard Hughes Has developed into a useful and likeable juvenile and gave it a good go from the front when 3¼ lengths fourth of 10 in Gimcrack Stakes at York (6f, good to soft) 15 days ago. Back down in grade for polytrack debut and warrants respect.				
3	9	MOONRISE (IRE) (42) (CD)		94
	121	2 9-3 58.5kg	Oisin Murphy	
Andrew Balding  Churchill filly who made it 2-3 when shading a tight finish in the Princess Margaret at Ascot (6f, good to firm) 42 days ago. Capable of having a big say once more under a 3-lb penalty.				
4	7	SOCIAL SYMBOL (USA) (28) (BF)		87
	1443	2 9-3 58.5kg	Rob Hornby	
Simon & Ed Crisford Knew what was required to make a winning start at Ripon (5f, good to firm) and acquitted himself very well when fourth of 21 in the Norfolk at Royal Ascot (5f). Similar form in defeat in a pair of listed events subsequently but has a bit to prove back at this trip.				
5	1	TAWAKAL (FR) (29) (D)		91
	12	2 9-3 58.5kg	Jack Mitchell	
Simon & Ed Crisford Sales price for this Starspangledbanner colt rocketed to €325,000 this year and, having been very well backed, he ran out a comfortable winner on debut at Nottingham (6f). Improved when pushing the odds-on favourite close at Newmarket (6f) since and can go on progressing.				
6	3	BATED BENEVOLENCE (14) (D)		84
	1012	2 9-0 57.2kg	Benoit de la Sayette	
Marco Botti  Bated Breath filly who has been successful on 2 of her 4 starts and went down only narrowly to Nicely in conditions event at Chester latest but has a fair bit to find back up in grade (down the field in Group 3 Albany Stakes in June).				
7	5	EFSEXTEEN (22)	t	89
	14	2 9-0 57.2kg	Callum Rodriguez	
George Scott  350,000 breeze-up purchase. Knew her job well/knuckled down to make a winning start in a valuable Newmarket novice in early May (third subsequent listed winner). Failed to improve fitted with a tongue strap in Newbury listed event 3 months later but did best of those held up and retains potential.				
8	10	EVENFALL (22) (D)	★	100
	11	2 9-0 57.2kg	Non Runner	
George Boughey NON-RUNNER.				
9	2	NICELY (IRE) (14) (D)		87
	2161	2 9-0 57.2kg	Rowan Scott	
Kevin Philippart de Foy Easy winner of 6f maiden at Hamilton in July. Seemed to find the step up to 7f against her in Group 3 at Deauville next time and didn't need to improve to resume winning ways with her sights lowered back at 6f in conditions event at Chester 2 weeks ago. More needed back up in grade, though.				
10	6	SHIMMERING SUN (IRE) (16)		91
	1720	2 9-0 57.2kg	Daniel Muscutt	
Harry Eustace Debut winner who advanced her form when 3½ lengths seventh of 27 in Queen Mary at Royal Ascot and ran at least as well when second in listed race at Naas next time, nearest finish having had to wait for a gap. Stopped as if amiss upped to this trip in the Lowther Stakes at York latest.				

10 DECLARED RUNNERS

BETTING FORECAST:

10-3 Moonrise, **9-2** Tawakal, **5-1** Adaay of Scarlett, **6-1** Agamemnon, **9-1** Efsixteen, **12-1** Social Symbol, **18-1** Shimmering Sun, **22-1** Nicely, **33-1** Bated Benevolence

TIMEFORM VIEW:

TAWAKAL has made a highly-encouraging start to his career and has the scope and pedigree to go on progressing now upped in grade, so he's an appealing candidate. Moonrise shaded a tight finish to land the Princess Margaret Stakes at Ascot 6 weeks ago and is much respected under a 3-lb penalty. Adaay of Scarlett underperformed in the Gimcrack last time but sets the standard on his previous form.

Ralph Beckett

Won handicap at Nottingham in June then was fourth of 9 at Ascot in July before struggling at Goodwood later that month, possibly finding the race coming too soon after just 4 days off. In good hands so not in possible she could resume progression back on the all-weather after a short break.

Simon & Ed Crisford

Much improved when off the mark by a wide margin in a 6f all-weather handicap at Lingfield 19 days ago. Up 8 lb for that romp but well enough bred and in the right hands to have more to come so she's well fancied to follow up.

Won at Windsor in June before good close fourth at Newmarket in July but finished only 22nd of 26 in a competitive handicap at Goodwood later that month. Needs to bounce back returned to the all-weather (won her maiden at Wolverhampton in February).

Lemos De Souza

Scored at Beverley over 5f 24 days ago before close third of 6 at Yarmouth under a penalty 2 days later, hanging badly left under pressure and likely to have won if she'd kept straight. One to take seriously back up to 6f and returned to the all-weather.

BETTING FORECAST:

5-2 Veil of Clouds, 5-1 Shallow, 11-2 Zighy, 15-2 Rumble Ruby, 14-1 Paradise Walk, 18-1 Powdering, 18-1 Eskimo Pie, 20-1 Calling A Star, 25-1 Tarot, 33-1 Lady Roxby, 150-1 bar

TIMEFORM VIEW:

VEIL OF CLOUDS made a mockery of her mark when winning at Lingfield 19 days ago and looks capable of defying an 8 lb rise. Shallow returns to a C&D where twice successful and ran to the pick of her form when second at Newmarket recently so may prove next best, while Rumble Ruby would likely have won at Yarmouth had she kept straight and warrants respect back at 6f.

WILLIAM HILL BEST ODDS GUARANTEED HANDICAP (3)
4yo+ (Rated 0-95) £16,000 1m3f219y (2410 Metres)

Going: **Standard to Slow**

Kempton is a right-handed, polytrack, flat, oval-shaped course with two loops. The inner circuit, used for races over five and ten furlongs is sharp and has a finishing straight of just under two furlongs, favouring the speedy, handy type, markedly so over the minimum trip. The turn on the outer course is more sweeping and the straight is approximately three furlongs long, making for a fairer test. Over both five and six furlongs, there is a relatively short run to the first bend.

Draw: **Favours Low** Pace Information: **Even**

HAKU (IRE) (7) (CD)
14513-738 7 9-9 | 61.2kg
Mark Loughnane
Three-time C&D winner who is better on all-weather. Seemed unsuited by soft ground at Goodwood last time and return to this surface will suit.

ASTRO KING (IRE) (16)

Daniel & Claire Kubler
Last success came in the Cambridgeshire back in 2023, though was absent nearly 2 years prior to this season. Not at best when fourth of 5 at Newmarket last time and now returns to the all-weather. Coming down the weights and now tried in first-time cheekpieces.

KING'S CODE (23) (C)

Won a 1¼m handicap at Chester in July in a visor but not much promise when last of 8 at Windsor 23 days ago in blinkers. Better on all-weather, though, and has won here 3 times. Visor back on with 7-lb claimer taking over.

Keiran Burke
Serious operator at this track having won 7 times and also ran a cracker here when second in strong race in March. Creditable fourth of 9 at Newcastle in June on his latest start and is one to take very seriously returned to his favoured venue after 72 days off.

Andrew Balding
Won over C&D on reappearance in April but was last of 12 at Carlisle when last seen in May, perhaps not handling the undulating track, and the return to this venue after 98 days off (goes well fresh) looks sure to suit for top connections.

INCENSED (35) (CD)

Her tendency to blow the start is beginning to look ingrained and she tailed off last of 13 in a handicap at Goodwood in August. Returns to Kempton where she has won twice over C&D, though, which gives her a positive.

Back-to-back wins in July at Wolverhampton on final outing for Jack Morland and at Ascot before fourth of 16 in a handicap at York 15 days ago, shaping as if at the top of his game when making his effort earlier than ideal. Top jockey booked and looks sure to go well returned to the all-weather.

Looked promising when winning a novice at Hamilton 35 days ago but found the step up in grade a little beyond him when fifth of 13 in a handicap there 15 days ago. Lightly raced and now tries all-weather for the first time so isn't one to write off.

BETTING FORECAST:

7-2 Primo Lara, 6-1 Topteam, 13-2 Tiernan, 8-1 Whitcombe Rockstar, 12-1 King's Code, 14-1 Elsass, 14-1 Majestic, 14-1 Astro King, 16-1 Sudu, 18-1 Incensed, 25-1 Haku

TIMEFORM VIEW:

PRIMO LARA has made a good start since returning to this yard and shaped as if better than the result when fourth at York last time. He still looks well treated returned to the all-weather and could prove too good for course specialist Whitcombe Rockstar. Topteam is one that needs considering on return from 3 months off given he's already scored when fresh at this venue this year.

Progressive sort who notched a first win of the year in 8-runner handicap at Newbury (2m, firm) in June, relishing the good gallop. Circumstances unlikely to be so favourable this time but remains unexposed at the trip.

Ran up to best when finding only one too good for a fourth start in a row in this sphere in 6-runner handicap (13/8) at Newmarket (2m, good to firm) 22 days ago. Seems sure to remain competitive.				
4	1	BETELGEUSE (IRE) (14)	s	98
		5-2253253 4 9-2 58.1kg		
		S. P. C. Woods	Liam Wright (3lb/1kg)	
Has yet to build on his wide-margin Southwell win last October but turned in a respectable effort from a less-than-ideal position when third in 6-runner handicap at Lingfield (13f) a fortnight ago and shouldn't be taken lightly from a 2 lb lower mark.				
5	6	CAMPEONA (20) (D, BF)	s	97

		Sir Mark Prescott Bt	Dylan Hogan	
Steadily progressive young stayer who cosily made it 3-4 this season in 3-runner handicap at Lingfield (2m, good to firm) in August. Seemingly had no excuses when second of 5 in a higher grade at Pontefract (17f) since but it's still dangerous to assume she's shown her all.				
6	3	FLASH KOZO (IRE) (18)	★	100
		40-430512 3 8-12 56.2kg		
		Harry Eustace	Kaiya Fraser	
Opened his account in 9-runner handicap at Southwell (1¾m) in July, adding to a solid all-weather record in the process. Improved again when going down only to a similarly upwardly-mobile one at Wolverhampton 18 days ago and remains of interest with the step up to 2m likely to suit.

BETTING FORECAST:

11-4 Naval Tribute, 10-3 Flash Kozo, 7-2 An Bradan Feasa, 9-2 Campeona, 10-1 Betelgeuse, 20-1 Barenboim

TIMEFORM VIEW:

FLASH KOZO found only a fellow upwardly mobile one too good at Wolverhampton last time and remains a 3-y-o to keep on the right side. An Bradan Feasa deserves full marks for consistency and seems sure to be thereabouts once more, while Naval Tribute is another to bear in mind for all that he had plenty in his favour on his most recent outing.
