3 Belker was a non-starter in September but got one race under his belt in the last run where Extreme beat Aetos Kronos and Don Fanucci Zet. Much easier now and he is our pick. **1 Top of the World** won from behind the leader two starts back and did not find room and had energy left in the last run. He can open fast and should be considered. **9 Eder Bob** had energy left in the last race in Boden and the form is good enough to fight for victory here. **2 Mr Perfect** got a tough trip outside of the leader in the last run and could be dangerous with the right trip from the back.

12 Xanthis Excalibur was not at his best in the beginning of this season but after a break he scored two wins directly. He has been starting in the V75 lately and faces easier opponents now. 11 Thank the Maker has scored five wins and is good for this company when he is at his best. Did not convince in the last run though. Possible if improved. 10 Gazoline scored a good victory last summer. He can open fast and could reach a nice position directly. 8 Cardigan W.F. has had energy left lately.

12 Gazoline Mearas won five runs in a row as a three-year-old and made his debut for a new trainer in the last race. Did not find room after an inside journey and had energy left. Could take revenge directly here. 10 Dante Godiva found the lead and won comfortably in the last run. The horse has two runs under his belt for the new trainer now and should be considered early. 2 Bring Me Bajern won in Boden in September and is driven by Ove A Lindqvist here just like when he won. 4 Nehemiah is consistent and good and has won five times in Boden.
