15 Gorm was only second in the last run but had to open very fast then. Was good over the long distance three starts back. Our pick. 10 Tekno Jerven is fast but not reliable. Showed 23/1800 at the end in the last race after an early mistake. Main challenger. 8 Tangen Frikk was interfered to a mistake with one lap to go in the last run but came back well to a third spot. Should not be overlooked. 6 Høstbo Elis likes the long distance and uses to keep up the pace well at the end.

5 Quantal Quetzal got a tough journey outside of the leader in the last run and did alright. Was outstanding on Bollnäs three starts back. Our pick. 1 Super Sarah won directly for her new trainer in the last run. If she handles this number one behind the gate she has a good chance again. 9 Musett af Djupmyra makes her debut for Tomas Pettersson. This number suits her well. The horse is good enough to be in the mix here. 11 Anna Mauds Lassie took the lead on the home stretch in the last run but got defeated on speed. Will beat many opponents here with the right journey.

10 Dark Roadster is consistent and good. Got locked in with energy left in the last run but has been a non-starter after that. Good chance if he is at his best. 12 Syoss was not at his best in the last V75-race. He met tough opponents but was a bit slow. Should normally be considered early here. 3 Again Kronos has got a short break. Is well drawn and could be in the mix. 2 Applejack Mile finished fast to a third spot two starts back. Should not be overlooked with the right defensive journey.
