6 Red Pine Lily found the lead in the last run but gave it away. Found room at the end but could not challenge for victory. Tighter starts now should suit the horse well. 3 Don'taskdon'ttell comes from two second spots and deserves a victory. Nice number and early contender. 2 Closetoamillion has not started very often lately. Was second two starts back finishing 11/800 and should be followed. 7 Valentino Face scored two wins last year but has not been as good this season. Could cause an upset in this mediocre race.

3 Drivbest has not convinced lately but is probably the best horse in this field. Nice number and this distance is the right one. Our pick. 6 M.P.Atlas has not impressed for the new trainer. Can do better than that and faces quite easy opponents here. 8 Hauk Viktoria was not at her best in the last run after several good efforts before that. She will normally be in the mix here. 1 Sol Greia got locked in with energy left three starts back. Interesting number and an outsider with some racing luck.

2 Neon Bank won six out of eleven starts last year but has not convinced this year. He can do it tough and this number is nice. Good capacity. Our pick. 7 Miss Chevy Neo is better than the latest results show. Scored a good fourth spot in a ridden race two starts back. 8 Stonecapes Thor needed the last race under his belt after a long pause. Is fast enough to be in the mix here. 6 Firefoot has galloped in both starts for the new trainer. He won six out of 15 races last year.

5 Definitif Launcher has not won for a while but in this easier field he is our pick. Nice number behind the gate. 10 Hattusa earned more than 500,000 SEK last year but that was for a different trainer. She has not been as good this season. Is good enough to win this. 8 Global Tailwind makes his debut for a new B-trainer. Is consistent and could be in the mix in this company. 4 Ozzy's Melody has not started since January. Is better than the latest results show. Outsider.
