Good enough to fight for victory here. **8 Xerava C.D.** has a tough starting position, but with the right journey she can win this race. **9 Panerai** is strong and tough and if the pace would be high, the chances increase.

2 Perfect Girl Boko has not started since June, but the mare has shown such high capacity before that she should have a good chance of winning this straight away. **1 Hackels Lumiere** won directly in the first start for the new trainer and even though it was an easy race the impression was really good. In the mix. **7 Kaiser** has galloped in two of three starts but showed great skills two starts back. Early choice. **9 Glamorous Hill** has got two runs under his belt after a layoff and is getting better with each start. Outsider.

2 Macho Cabrio B.B. galloped in the mini comeback, but he is really good for this class. The horse to beat from the lead. **12 Västerbo Magicmike** finally got his win in the last race after several nice efforts before that. Strong finisher who can win despite this starting position. **10 Hagaz Fleur D'Nuit** won from the lead in the last race but is just as good from behind and should not be discounted. **1 Zaccagnini T.P.** has a run under his belt and an interesting starting position. In the mix with an opening at the end.

7 In Your Time looked in good shape in the last race but got locked in with a lot of energy spared. Good chance to pass everyone over the home stretch. Our pick. **1 Who's The Winner** got a useful run under his belt in the last race and will be improved for this race. Challenges for the win. **8 Da Vinci Face** is a quick starter and should be the favorite for the lead despite this number. Contender if he can dictate the pace. **9 Nybys Leia** could get a nice defensive journey from here and will finish strongly then.

10 Vinner Vilja impressed when she disappeared from the lead in her last start. Will be difficult for the others to resist during the final lap. **2 Vejmo Martin** had no chance against our pick in the last race, but has an interesting starting position here and if the favorite would fail, the four-year-old is an early choice. **6 Franko M.R.** is a quick starter and the horse to beat from the lead. **8 Nordsjö Prinsen** was third in the cold-blood Derby earlier this year. He returns after a short break and should be followed immediately.
