7 Flap Setting won directly for trainer Ulf Stenströmer on January 21. Was close to win in the race after and won easily in the lead after that. Was a bit unlucky in the last run behind a tired horse on the far stretch. 12 Smajlis finished well to second two starts back and put in a strong final lap to come in third in the last run. Early contender. 8 Lazarus Boko is good for this class and has one run under his belt for the new trainer and after a long pause. 5 Herkules Gertorp is a bit up and down but has good skills. He finished well to third against quite tough opponents on June 2.

10 Copen Chuck S.M. won comfortably in the last run after a nice journey. He finished well to victory on Axevalla on May 10. Good chance here despite this back row draw. Banker. 5 Super Express S.W. finished well to second in the last run and has shown good form lately. Could challenge for victory. 4 Strong de la Hoya is strong and would have been in the mix in the last run without a mistake with 150 meter to go. 9 Lincoln Abe Boko is all-round and scored a strong second spot two starts back. Should be considered quite early here.
