3. MARTIN'S DENUO - Three unplaced efforts since a 4th over 3450m in a claiming chase at Compiegne on November 11th. Can make the frame

4. ARKANNA - Three tame efforts of late, failing to finish over 3400m at this track in a handicap hurdle on December 25th. Look elsewhere

6. OULALA DES BRIERES - Unplaced last time, 4th previously over 3700m on December 11th in a claiming chase. Hard to recommend

7. STAR ICON - Two unplaced runs of late, failing to finish on either, the latest over 3400m at this track in a claiming hurdle on December 25th. Opposable

Summary: SORIA (2) appeared well suited by the switch to fences and application of cheekpieces when scoring by three lengths at this track at the end of December. She can improve further and looks the one to beat. Her main threat may be MAIMIX (1), who is better than her recent form figures suggest, having competed in stronger races and dropping in class today. DECISIF (5) has ground to make up on the main selection, having finished fourth behind her here last month. MARTIN'S DENUO (3) heads the remainder.
