**1 Time To Run** is our pick. He won a bit surprisingly from the lead in the last race at Solvalla. Opened fast then. Nice number here. **11 Bravo Benellie** has a poor lane but was definitely good in the last race when he won from the outside of the leader. Barefoot. **5 Bardot** has shown good form of late and is now driven by Oskar J Andersson. Good lane. **10 Viewing Window** has three wins in ten starts. Needs a bit of luck from here. Could surprise.

**11 Dedes Vici** is our pick despite this lane. She faces nice conditions as a filly and has shown good form lately. Can do it tough. **4 Elegant Jet** is also an early choice. He has shown good form of late without winning. Can open fast and is our close favorite for the lead. **9 Nautica** has also done well at the end without winning. Driven this time by Ulf Ohlsson. Early contender with the right trip. **8 Cersei Gene** faces good conditions as a filly and was second together with Mika Forss two starts back. Possible but needs a bit of luck.

**12 Global Felicity** faces good conditions and is coming off a surprising win. Driven this time by Mats E Djuse. **1 Midnight Madness** is an early challenger. Can open fast and is ideally drawn here. **10 Martina** has started quite well but did not trot well in the last comeback. Certainly better now. Ulf Ohlsson is the driver. **14 Myspirit** is perhaps the best horse but she has got a really difficult starting position. Run under her belt now and an early choice.

## RANK

**5 Coin Master** is our idea in this very difficult race. He earned the most money last year and is better drawn than his main rivals. **8 Master Of Zon** has a poor lane but is good for this company. Fast from the start and can reach a good position. **7 Oh Cean** doesn't win very often but is consistent and has met quite good horses. Can open fast and is driven by the trainer this time. **9 Nail'em** makes his debut for Markus B Svedberg and is interesting. Svante Ericsson is driving and he obviously needs a bit of luck from this lane.
