4 The Little Plug galloped with energy left in the last V85 race at Eskilstuna. Is normally reliable and will be tough to resist during the final lap. **2 Thai Face Time** is the favorite for the front and if he can dictate the pace a bit he could lead this all the way. **7 Grand Ready Cash** got defeated in the last race by a sharp sprinting Hankypanky Pinkman. Improved by that run under his belt and has to be considered. **1 Rarely Access** is not a quick starter but will sprint fast if the opening comes at the end.

6 Bravo Vincero looked in good shape in the last race and had energy left. Is good for this type of race and should have a nice chance to finish first here. **9 Escargoat Gar** got a run under his belt in the last race and will be improved for this race. Will pass many opponents at the end. **8 Juliette B.** is better than the results show and has the capacity to compete for the top positions. **10 Ies Furste** will come back after a pause and could possibly need this run under the belt.

5 My Creation is a classy type who has won five out of eleven races and done so in different ways. Even though the mare hasn't started since November, she should have a good chance of winning. **3 O.M.Keep On Runnin** is a quick starter and looks to be in great form. In the mix again even though the opposition is tougher than at the end. **9 Supernova Lyjam** has been in tough competition for a long time and done well. Challenges with the right journey from behind. **2 Sonesta** is a quick starter and will lead this race for a long time.

5 Atomic Pepper didn't really get the chance in the last race but impressed in the first two starts. Good chance if he competes at the same level now. **6 Västerbo Snap** took an easy win in the last race when the only challenger galloped at the end. Nice starting position and could take a new victory here. **8 Lady Who** has two wins in a row on Finnish soil. Tricky starting position now, but shouldn't be discounted. **9 Canwego** comes from a mediocre effort. Can do better than that but will still find it hard to win this.

6 Classic Racer had to give up in his comeback. That race has probably improved the four-year-old's form a lot and he should have a good chance of winning. **3 Odin Eck** took his only win so far two starts back from the lead and if he gets there again his chances will increase. **5 Huchuy Qosqo** has done well in all four starts and he has shown good qualities. In the mix. **1 Pontiac Renka** will find it hard to hold the lead and is mainly a place bet.

3 Ramiro Bo was tested in the lead in the last V85 race, but gave up during the final half lap. Better distance now and a good chance to lead the race all the way. **5 Googoo Gone** finished strongly in the last race and showed top form. Early challenger to our pick. **7 Lion's Roar** met too tough horses in the last race. Won two out of four over this distance and should not be underestimated despite this tricky starting number behind the gate. **9 Viewing Window** got defeated as a favorite in the last race. Has been a scratch after that but is normally in the mix here.
