11 My New Chapter makes his debut for a new trainer. Is good for this class and has four wins in nine starts. Scored a very nice victory for trainer Timo Nurmos in November 2019. 9 Joffrey got a tough final 650 meter in the last race and was really brave. Should be able to reach a nice position directly here. 1 Winners Lane resumes from a spell. Is well drawn and could reach the front and lead this for a long while. 3 My Sea has not convinced for the new trainer. Outsider here if improved.

7 B.W.Kungen put in a great effort when he won on Umåker in February. He has not convinced since then but Ulf Ohlsson now is interesting. Our pick. 2 Sölvsveds Atlas got a tough trip from outside the leader in the last race but was brave and came in third. Should be improved by that run. Nice number. 6 Neon Tabac gave up in the seasonal debut but has one race under his belt now. Shows good capacity every now and then and is possible here. 11 Kajsas Ture could go around all opponents here in case of fast pace. An outsider.

3 Mission Beach opened fast and fought for the lead in the last race but galloped in the first turn. Faces nice conditions money-wise here and is well drawn. Our pick. 2 Global Wonderful has not raced since November. Likes the short distance and should be considered early behind the favorite. 1 My Liberty makes her debut for a new trainer. She has good speed for this class and should not be overlooked here with this nice number. 11 Jamaica Boko was second after a strong performance two starts back. Could go around many opponents again here.

2 Opalis came in first in the last race but got relegated to a second spot. Is in good shape and faces nice conditions here. Our winner. 1 I'll Fixit faced a back row drawn in the last V75 final. Much better conditions this time and he has to be considered early. 6 Luna Nera Doc seemed in good shape in the last race but got locked in at the end. Will soon score her first win of the year. Has to be followed. 5 Ottens Dibaba makes her comeback here. The form is a question mark but she has good capacity for this class.
