1 Fröken Flaxy gets our pick. She makes her debut here and meets very easy opposition. Good lane and we hope Magnus Jakobsson can reach the front. **2 Yagger Kemp** is also an early choice. He is making his debut too and if he is reasonably well prepared he will fight for victory in this field. **11 Chiron** has made four starts and was third two starts back. He is back after a layoff but has set a 1.16-time and that could be good enough in this company. **12 Zhezzdon** was third in the last race and is mostly a place bet here.

RANK

11 Beartime faces very nice conditions money-wise in this race. He won an easy race last time and it doesn't look much tougher now. Good chance. **5 J.Kagan Brick** is a good opponent though. Robert Bergh's horse has competed a lot in the V75 and is making his comeback here. Is probably driven offensively anyway. Challenger. **10 Gatling** has good capacity but he was clearly defeated in the lead by Beartime in the last race. Can do better and is possible behind our recommended duo. **3 Occhio** faces tough conditions money-wise but owns good strength. Was really nice when he won at this track two starts back but hasn't raced since November. Will probably get a nice journey.

2 Leroy B.R. gets our pick in this sprint race. The Norwegian horse is fast from the start and will probably get a good journey. Was very closely defeated from the lead last time and is looking for revenge now. New driver. **1 Lynam** is much better than the latest results show suggests. Making his debut for a new trainer and has got a nice lane. Now driven by Eirik Höitomt. **8 Proffs** has returned after a long break. Has made three starts and done alright. Can certainly do better and opens very fast. Gets an offensive start despite this lane? **3 Kencio Jaam** is Jonas Moberg's choice in this race. He did well in three starts at the end of last season and has a nice lane in his comeback here.

8 Armando Salazar is one out of two participants that stand out. Robert Bergh's horse won a V75-race at Åby in August and faces much easier opponents this time. Probably gets an offensive trip. Good chance. **11 Gogo** is an early challenger. He did well as fifth in the last comeback race and should be improved now. Carl Johan Jepsson is driving this time! **4 Barrique Wine** has not won yet after 17 attempts but did quite well in January, finishing second and third. Has had a break but should not be overlooked with the right trip. **13 Pronto** is a Dutch horse who earned the most money last year. He has had a layoff but is possible in this comeback.
