8 Voyle Prinsen has only made four starts in his career, but also shown good speed and capacity. Makes his debut for Jomar Blekkan which is interesting. Top chance as he has proven to be relatively reliable, unlike many of his opponents. **14 Frøyu Frikk** scored a nice win three races ago. Not reliable though. **13 Høgly Gneis** is not reliable at all but has very good speed. **10 SK's Månskinn** was improved as second in the last race.

9 Moni Elite is very inexperienced unlike the rest of the field and made very quick money last year when he finished second in the Norwegian Trotting Criterium. He will face older competitors which can of course be tough, but at the same time he is on the way up. Our pick. **4 Foreign Affairs** hasn't had a real chance from poor starting positions lately. Faces better conditions this time. **2 If** is in good form. **6 Walker** could be a place bet.

9 Nero B.R. lost as a big favorite in the last race, but still did alright as second. Hadn't competed for a long time before that race, so it's highly likely that the horse will be improved by that run under his belt. American bike now is an advantage. Early choice. **12 Kelvin Hydrup** has been good in two starts for Magne Olsen. Poor lane but is good enough to be in the mxi. **7 Seventh Key** is up and down, but has good speed. **5 Shiffrin** is matched in tough company.

9 Haut Doctor is our pick in a race where the horses have not shown anything of great value recently. Is gifted but has not delivered recently. Will face an easier field here and is driven by Dag-Sveinung Dalen. Our pick. **10 Casartelli** was clearly improved as second in the last race. Early contender with a similar effort. **7 Maharani Force** is an early choice in the first circle. **3 Oli Bonera** looks alright and can reach a good position.

5 Skjegge Svarten has really impressed lately. He has shown the best form recently and even if he faces quite tough conditions money-wise, he should have top chance. **7 Il Jerven** is more experienced than our pick and has earned considerably more money. Owns good speed. Early contender. **6 Terne Pil** is consistent and good. Galloped in a ridden race last time. **3 Bragd** faces nice conditions and could be dangerous.

5 Moni Diablo got a nice start from the inner lane behind the gate in the last race, without being very fast. Galloped into the first turn in a tight situation, but came back brilliantly and could win anyway. Should be better now and has top chance in this mediocre race. **7 Lester Green** has been on the podium every time so far. Early challenger. **1 Milliondollar Rags** has only galloped so far, but owns quite good speed. **4 Claire The Brady** could be a place bet without a mistake.
