1. THE VERVE - Unplaced at Moulins over 3500m in mid-April. Needs a vast improved effort to feature

3. KAPCHOUNIKA - 2nd at Fontainebleau over 3000m on latest outing, with a couple of today's rivals behind him. Player

4. KADENCE DE MEE - Has been supplemented for this. A fair second run when 4th over 3500m at Nantes. This looks like an easier race and can be hard to beat

5. COEUR EN OR - Has a bit to find on KAPCHOUNIKA (3) when they met at Fontainebleau last month when finishing 4th. Can be involved

6. WHITE CLIFF - Has four unplaced runs so far all on the flat. Needs to be revitalized on hurdle debut. Happy to watch

Summary : KADENCE DE MEE (4) ran well at Nantes when finishing fourth last month and a drop in grade makes her the selection to win. KAPCHOUNIKA (3) was a good second on 19th April and could give the likely favourite most to do. COEUR EN OR (5) can also be involved in the finish after a recent fourth at Fontainebleau in the same race as KAPCHOUNIKA (3) which also applies to KARMIX (2) who was just over 3L away in fifth position in that Fontainebleau race and looks best of the remainder.
