1 Smedheim Solan was improved in the last run and is on the way up after a slow start of the season. Faces very nice conditions here and meets easy opponents. 3 Smedsbo Faksen is a nice horse who likes the short distance a lot. The form is a question mark. Will be hard to reach in the front if he is at his best. 2 Månremus has met tough opponents and handles all distances. Could get a nice trip from the back here. 6 Snyggs Rubin can open fast and could take advantage of this short distance.

1 Global Caps has just run a couple of races but shown great capacity. Has not even been close to get defeated in three starts. Seasonal debut but very good for this class. 7 Joyful Argos scored a tough second spot two starts back and after an offensive journey to outside the leader. Challenger. 11 Cameron has scored the first two wins in the last two races. Tricky number. 9 Mahadour attacked in the middle of the last race and won in the lead. On the way up and nice number for a defensive journey.

6 Capital Gain C.C. showed good form already in the seasonal debut and finished to a nice victory. Looked nice in the last run too against tough V75-horses. Nice task here on his home track. 4 Doldis got a tough start in the last run and gave up at the end. Should be improved by that race under his belt. 9 Barry Wadd is strong and consistent. He needed the last run too and is on the way up. 8 G.K.Justus has needed some time to grow into this class. Would prefer quick pace and is better than the latest results show.

Poor number but easy opponents. 3 Önas Rose found the lead in the last run and led that race for a long while. Faces nice conditions and is well drawn. 2 I Am D. has galloped on the way to good results lately and is in fine form.

3 Jaguar Dream is a top horse in his seasonal debut and he has earlier shown that he likes this extreme distance. Can open very fast and will be hard to beat. 5 Dark Roadster has met tough opponents lately and is better than the latest results show. Is fast enough to challenge our favorite. 6 Final Dream can open very fast behind the gate and could fight for the lead here too. Good form. 2 Joy Alissa is a quick starter and will certainly get a nice journey here.

9 Poppy Fighter has been on the way up this spring and was already strong two starts back just closely defeated. Got a tough journey in the last run and scored a convincing victory. 13 Megan di Quattro has met tough horses of his year during almost the whole career. Easier in the last run and showed good skills. In the mix. 10 Viggo la Ma is strong and finished well in the last run. Good form and can do it tough. Early choice. 3 Viveroo Face has met too good opponents on Solvalla but looked nice anyway. Faces nice conditions here.
