8 Gretl Brodda finished quickly in the last race from a difficult starting position and her form is probably as good as in the two straight wins before that. Good chance. **2 Caddy Shack** belongs to the same stable as our pick. Victor Rosleff drives for the first time. Challenger. **6 Manne Margunn** is a quick starter. Better with the last run under his belt and is a horse for the fight for victory. **11 Lorenza Nownow** probably prefers the short distance, but the mare is in fine form today.

9 Kyrkebys Lisbet is good for this class and even though she has not started since November she should have the best chance of winning this race. **5 Cayenne Gel** galloped in the last race but showed fine form in the previous races. Leads the race for a long time. **7 Staro Queen** is doing well at Visby where she has taken four of her five wins. Normally in the fight for victory together with Noa Relden who is driving her for the first time. **8 B.B.S.Sky Bar** needed the last race and will put in a better effort now.

4 Ekolod galloped still fighting for victory in the last race. He won by a wide margin the previous time and if he finds the lead, he is the horse to beat. **3 Lalles Castello** won easily from the lead in the last race. Has been a scratch after that but is normally in the fight. **7 Lucky Lane** has two runs under his belt after the layoff and is starting to approach top form. In the mix here. **9 Neeskens** is good enough to fight for victory even though it is his seasonal debut.

12 Super Nice is a 12-year-old who is making his first start of the year. Sten O Jansson usually has his horses well prepared and despite a tough starting position we think he will pass the whole field during the final lap. **6 Belker** is the toughest challenger to our pick and it could be a great fight between the horses from the same stable. **9 Certainly** is good for this class and could normally be in the mix too here. **8 Maverick Dreams** is really good every now but a bit tricky too.
