Volt 2140

3 Centurion B. galloped in the last race when he was pressing for the lead. Looked nice though and was putting in a good performance. Top chance to lead this throughout. 2 Twigs Gatsby found the lead after 500 meter in the last race and was allowed to dictate the pace. Gave away the front with 600 meter to go though and galloped at the end. 1 Malawika Maid was improved in the last race after a couple of mediocre efforts. Nice number for a defensive trip here. Place chance. 15 Ville Turf is poorly drawn but has good pace for this race. Without a mistake he could be in the mix here.

3 Highway to Hill was really nice in the debut and put in a great effort. Won easily on the home stretch. Hard to beat here too. 2 Icon Mearas won also in the debut but has got a break and makes his comeback here. Interesting start. If he handles this number the Ready Cash-son will be in the mix. 7 Ian Wright is a quick starter and opened very fast two starts back. Was brave in the last run too. Should not be discounted. 1 Miss Irma finished fast in the last run to a close victory. Will get a nice trip from the back here and could score a place.

8 All in Face was really good in the debut and seemed to have energy left. Won despite a mistake and showed 16/1800 meter. Good chance to win this. 9 Nuage d'Inverne is consistent and good but still waiting for the first victory. Was brave in the last run and is worth a warning. New driver now. 13 Ayah de Lux is driven by Björn Goop now which is a big advantage. The horse is better than the latest results show and finished 14.7/1000 three starts back. 11 Gloriana N.O. is in great shape. She showed 14/1200 two starts back and looked nice. Could pass all opponents here. Needs some luck but can do it tough too.

4 Zap di Girifalco looked magical in the last race in Finland and had energy left at the end. Could find the lead here too and will not easy to beat then. 3 Alone has two runs under his belt after the winter break and done well. Showed 11.5/1000 in the last race. Is a slow starter but can finish really fast. 6 Vagabond Bi was competing in the Golden Division two starts back but did not open as fast as he uses to. Never got a chance in the race in Denmark either. The form is a question mark. 7 Staro Leonardo has galloped twice in a row now and this number is tricky too. Without a mistake the horse can put in a strong final lap.

6 Prima Kaiser is a quick starter and in good form. Should reach a nice position directly and the horse can finish fast. Our pick. 8 Bikila finished strongly in the last run and showed 12/1000. That was the first run after illness. Should normally be improved now. 11 Giordano Soa did not trot well in the last race but looked nice in the warming-up. The horse uses to meet tougher opponents. With the right trip he has very good speed. 2 Ola Islet scored a good victory on December 10. Can open fast but resumes from a spell. Interesting here with this nice number. Has good capacity.

Banker. 9 Hall of Am is promising and the trainer is very pleased with him. Has put in good efforts lately and is on the way up. Is very speedy. 8 Hoboken Am is interesting in this comeback after a long pause. Was brave in the last race of 2020 and finished second in Oaks. 6 Clockwork uses to finish strongly but needs some racing luck to be at his best. Uses to start slowly.

Could lead this throughout. 6 Quatro Roc found the lead in the last race and opened really well. The horse has got a long pause now but is very gifted Should be considered directly in this comeback. 3 Helacs Theluji finished really fast in the last race. Looked on the way to victory on the home stretch but got defeated at the end. Nice conditions money-wise here. 2 Hanita Fayline had energy left at the end two starts back and got interfered with 750 meter to go in the last race. With the right trip the horse could cause an upset.

5 Islay Mist Sisu is a young star who has been very consistent and good. Can open fast and will certainly reach the front here. Good chance of course. 4 Ain't Misbehavin is our idea here. Got a very tough trip to the position outside of the leader in the last race and after that he got a trip from third on the outside. Finished well and is in good shape. 1 Cintra was brave in the last Solvalla race. Could get a nice trip from behind the leader here and has to be considered in that case. Has not raced for a while though. 3 Aranka Face won comfortably in the last race after 13/700 meter. Nice horse who is getting better and better.

3 Apocalypso impressed in the debut on Swedish soil. Got a tough start in the last race but found the position outside of the leader after 400 meter. Kept up the pace well and was strong at the end. Good performance. 1 Global Agreement is a quick starter and likes to run in front. Has earlier won in the V75 and is good for this class. Resumes from a spell now. Possible if he lives up to his capacity. 4 Starbec's A.to Z. is in great shape and has put in two very good efforts lately. Was close to win in the last run and put in a good performance. 5 Vici Volantes is nice but does not win very often. Has been matched against tough horses though. Could be dangerous if our top trio is not at its best.
