6 Pour Mea Double has good results from the US but the horse has not won yet for trainer Lugauer. Faces perfect conditions here and should have top chance. 7 Crono Delleselve has been consistent and good for a while and can both open and finish fast. Main challenger. 1 Mojito Day is very consistent and good and is ideally drawn now. Will soon score the first win of the year. 4 Marrakesh has very good capacity and he has now two runs under his belt. Should not be overlooked if improved.

8 Peak Cashflow was second in the last run and very brave. Is very good for this class when at his best. Our pick in this open race despite this number. 3 Dexter Morgan has put in several good efforts in a row and is in fine form. Is ideally drawn here and could be hard to reach in the front. 9 Ares Maanos is chasing the first victory. Has done well lately and will soon be successful. Early contender. 1 Indro Jabado has also been consistent and good and this number is nice. Early choice.

3 Devs Donator is our pick. Galloped in the last run but has very good skills and is better drawn than the main rivals. 8 Rapid Pal is probably the best horse in this field but has galloped a lot lately. If he avoids a mistake he will fight for victory. 7 Lover Brodde finished well in the last run despite a poor number. Tricky number behind the gate but early contender. 9 Jisco Vacante has done well lately without winning. Dangerous here with the right journey.

11 Bourbon Brodde has three wins this year after a couple of strong efforts. Is poorly drawn here but this distance is an advantage. Our pick. 7 J.S.Camaro has done well so far this year and won in the lead two starts back. Dangerous if he reaches the front again. 6 Good Moments finished well in the last run and deserves a victory soon. Should be able to get a nice journey here and will be dangerous then. 8 Cosmic Creation is absolutely good enough to win this but the form is a question mark. Possible.

9 Jaxon Schermer has done well for the new trainer and looked splendid in the last run. Back row draw now but our pick anyway. 8 Global Duty is gifted and very good for this class. Poor number but will normally fight for victory. 5 Arachis P.R. was very strong last year but makes his comeback here. Will not be at his best yet but is gifted and should be followed anyway. 3 X.O.X.O showed great skills too last season and resumes from a spell. Quick starter and possible directly.

1 Jelly Bean Mearas has scored two very nice wins in a row and this number is really interesting. Good chance to lead this throughout. 11 Jeans'n Passion galloped with energy left in the last race after a layoff. Has good skills and is normally the main challenger here. 13 Love No Pain has also been matched against tougher opponents. Has not impressed lately but should be considered early in this company. 6 So Much a Lady seems in good shape and will certainly get a nice trip with this number. Possible too behind the favorite.
