3 Grumbazz Kini won easily from the lead two starts back and actually beat all of today's opponents! Too tough horses in the last race but normally a good chance here. **1 Belfort Rags** was fifth behind our winner at the beginning of June. Comes from a second place and is well drawn. **5 Hard Times** has clearly earned the most money in this race and comes from a win in a ridden race. **2 Gold Ripasso** wins quite often and was fourth a bit behind Belfort Rags in the last race. Good lane and is at least a place bet.

11 Storm Jokern has won five of seven races and is coming off three victories in a row. Won the last race despite a gallop and he is in top form. Our pick despite this lane. **1 Hansine S.** won in May and has been second behind Storm Jokern since then. Perfect draw to get revenge here. **9 Tustna Faksen** has also started really well and already taken two wins in six attempts. Came back strongly after a gallop in the last race. **7 Dronning Ness Tjo** has not won yet but was second in the last race despite a mistake. Has two runs under his belt now.

4 Kringlers Roskva has not raced since February but she won seven out of 17 races last year and is our pick in this very weak race. **7 Jardar** faces the best conditions money-wise and this small field is a clear advantage. Quite consistent and early choice. **1 Lykkje Pelle** has galloped towards the end and needs to avoid a mistake first. In that case he is possible from this nice draw. **5 Skeie Knerten** is a little better than the latest results show and should not be discounted in this company either.

9 Farsklars didn't race at all last year but has come back really well this season. Got defeated as a big favorite in the last race but had taken three wins in a row before that. Good chance with the right run. **5 Bleke Best** is often very heavily backed. He was fifth despite a gallop in his comeback after a very long layoff in the last race. He has got another break after that. **7 General Japp** has started well and was third in his seasonal debut in the last race. Should be on the way up. Has to be considered behind the favorite. **2 Skjegge Rosa** took a surprising win in the last race and beat several of today's opponents. Faces good conditions and should not be overlooked again.

9 Duflot has taken six wins in 17 starts and is often very heavily backed. Consistent and good and coming off a shared victory. Our pick despite this lane. **7 Italy** took two straight wins in May and was second behind Gaston Design last time after a good finish. Early choice despite this position. **3 Jerry B.R.** wins quite often and has a better number than our top duo. Should be considered early in an open race. **5 Gaston Design** won the last race and beat several of today's opponents, including Jerry B.R. and Italy. Should not be overlooked again.

5 Carat doesn't win very often but faces good conditions and has been consistent and good towards the end. Our winner from a nice starting position. **6 Elton Ragas** is a 3-year-old who has started well and won three of eleven races. He is inexperienced but should be considered early. **3 Lilly Rose** has only one win in 40 starts but seems in pretty good form and cannot be discounted here. **4 Divine Superb** may not be a superstar but in this field he could cause a surprise.
