1 Vy Jerven looked fine at the end and is in top form for the day. The five-year-old is not so fast the first part, but Henrik Kihle tries to find an outside position and then drives towards the front. Top chance! **10 Monster Mustasch** is not bad for this company and without a mistake, he will be in the mix. **9 Ellbert** put in several good efforts at the beginning of July. Has not been as good at the end, but should not be discounted completely. **14 Fosshaug Frasse** won in good style last time. Should not be overlooked despite this lane.

12 Supersnorpan comes with two straight wins in fine style. The mare has won two out of six over this distance and should get a nice start with this starting position. Fights for the second spot again. **5 Bro Thelma** is a quick starter and should be able to reach the front here. Leads the race for a long time.
