6 Kim Peek has impressed a lot under the saddle. Although he was only second last time, the horse still did quite well. Good chance of revenge here. **9 Just Fontaine** has shown great ability throughout his career, but has galloped a lot. Has done well under the saddle and taken three wins in a row. Tougher opponents now, but early choice. **3 Roberts Son B.B.** rarely or never puts in a bad effort. Has to be considered but needs of racing luck. **2 Magical Time** prefers to run in front. Fast starter.

Tougher now in Sweden but his performances should not be underestimated. Good chance. **9 L'Ultrason** was not at his best in the last race but has got a break. Should be better now. **3 Taurus Tile** is very well-bred. Has scored two nice wins in a row. Has to be considered. **2 Shadow Moon** was very nice when he competed barefoot for the first time in the last race.

3 Knud has made two nice races for Christoffer Eriksson. He could reach the front and will not be easy to beat then. **1 Arnie Silvio** has perhaps shown the best capacity but has got a tricky number here. From the pocket or third on the inside, he needs some luck. **2 Cantal** meets stallions and geldings, but has done really well lately and should be followed. First time with an American bike. **9 Forever Yours** has promised a lot throughout his career, but hasn't really delivered. Interesting debut for Ola Karlsson now.

2 Karat River has done really well and scored two straight wins. Has got a perfect starting position once again. Good chance to reach the front. Difficult to beat. **7 Luke The Spook** galloped in the last race when Adrian Kolgjini tried to find the lead. Looked nice otherwise and the form should be better than the results suggest. Early challenger. **3 Oscar L.A.** has not started for a while but is one of the better horses in this race. **1 Epsom As** will certainly get a nice trip from here.

4 Tactic Lane is better than the results show. She is a quick starter and should she reach the lead she will be hard to beat. Has to be considered regardless of position. **1 Anna K.J.** followed nicely as second from the outside of the leader last time. The four-year-old is all-round and will be in the fight. **14 Tui Southwind** has scored a couple of impressive wins. This middle distance is not an advantage, but she is in fine form and has to be considered early. **10 Lainy K.W.** is a strong mare who can do it tough.

Interesting number and he is an early choice here. **5 Go Kenneth Go** does well every time and should reach a nice position straight away. Can do it tough and is good from behind too. **8 Henessi Joy** has a tricky number but he benefits from a small field. One of several contenders.

Could still win though. **2 Nugget Zon** is a quick starter and will find the lead or the pocket. **4 Kipketer Mearas** is strong and can do it tough.
