6 Sevemearas has done really well for Daniel Redén this year and taken several nice wins. Galloped directly in the last race but is looking for revenge now. Quick starter. Top chance. **1 Can't Be Ruled** is a little bit better than the latest results show. Should get a good trip from here and is driven this time by Ulf Ohlsson. **5 Glory Forever** is quite consistent and good and has a nice lane. Rikard N Skoglund drives and they could reach the back of the favorite. **12 The Rising Hope** scored a good win two races ago. He is poorly drawn and hopes for quick pace. Could be a place bet.

4 Troll Winther won at Momarken in July and finished nicely in the last race third up. Ulf Ohlsson this time and faces nice conditions here. Probably gets an offensive trip and could be allowed take over the lead in this stayer race. **5 Birger W.** was superior despite a gallop in a stayer race two starts back. Heavily backed despite a difficult lane last time but never really had a chance. Lilius is driving now. **7 Lillprinsen** has already taken three wins this year and won with today's driver two starts back. Galloped still fighting for victory last time and is in good form. **11 Ingen** faces quite tough conditions but won a stayer race last time. Magnus A Djuse now.

2 Leverage faces tough conditions money-wise but is good for this class and should get a nice trip from here. Has had a short layoff but is still our pick here. **4 Face Time D.V.S.** is trained by Gocciadoro. Has competed in Italy and earned the most money this year. Is of course hard to predict but should be considered early together with Magnus A Djuse. **6 Ciao Broline** won five races last year but is still without victory this year. He is our favorite for the lead together with Jorma Kontio. **1 Younger** has had a pretty good season this year. Has faced a bit tougher opponents towards the end and is an early choice from this lane.

1 Head of State would probably have won in the V75 last time if he had trotted better. He is looking for revenge and if he holds the lead, he has a good chance. **8 Jongleur** is used to compete in the V75 and faces easier horses now. Has a poor number but probably gets an offensive start and might take over the lead if the favorite gets locked in. **3 Nail'em** hasn't won for a while but is a pretty good horse from Markus B Svedberg. Nice draw and early choice behind our top duo. **7 Edima** beat some pretty good horses at Bergsåker in August and with a similar performance she should not be overlooked here either.
