**2 Dream Loverboy** has made two starts this year and shown good speed after galloping. He was interfered in the last race but came back well to finish second. Quick starter. **5 Ies Ingusmemory** won from the outside of the leader in the last race and is driven again by Rikard N Skoglund. Early choice. **6 Brionne** also won from the outside of the leader in the last race despite an early gallop. Should be considered early with a similar effort. **3 Gumshoe Sox** has started quite well for Jörgen Westholm without winning. Can open fast.

**6 Troll Rapp** is faces very tough conditions money-wise but gets our pick anyway. Has been competing in much better races (Norwegian Trotting Criterium in September) and should have a good chance. Tricky number though. **7 Beryll** made her seasonal debut at this track in the last race and finished second straight away. Should be even better now and is an early choice. **9 Perto** wins often and is certainly one of the better horses in the race. However, he has not started since June. Has to be considered if well prepared. **1 Hulte Madeleine** is better than the latest results show. Perfect conditions money-wise and has an excellent lane. Our favorite for the lead.

**8 Gliding Eagle** had a brilliant period at the end of last year and won four out of five races. Comes back after a long layoff now but is probably well prepared and is our pick straight away. **9 Urano Unico** won the Vårfavoriten at Solvalla and has earned over SEK 400,000 this year. Has met much tougher company towards the end and should be considered early. **3 Bengt** wins often and is an early contender for us. He comes from a second place and is our close favorite for the lead here. **7 Who's The Winner** won a heat and final in June and is better than the latest results show. Got locked in with energy left in the last race. Early contender behind our top duo.

**3 King Cruzado** is our idea in this nice race. He finished well to victory in October and was brave as third in the race after. Early mistake in his Swedish debut last time. Revenge now! **8 Licorice Sisu** is perhaps the best horse but failed as the big favorite last time. Has had a longer layoff now. Won with Redén in the debut. Tricky number. **7 Asgoodasitgets** was not empty when he galloped in the lead in the last race. He is chasing the lead again and is a very early choice from there. **5 Jordan Garline** has started well and scored two wins in a row. He has a tricky number too.
