

RACE 1

Volt 2140

7 Kung di Quattro scored a good second spot in the lead in his debut. With a similar performance he should have a good chance. Could reach the front with this nice number. 9 General Manager is interesting in this debut for Katja Melkko. The stable is in great shape. Should be considered. 6 Majestic Arrow has two runs under his belt and is a bit more experienced. Finished well during the last 900 meter in the last run and is on the way up. 4 Spike Razz is well bred. Qualified for his trainer but will be driven by Magnus A Djuse in this debut.

11 Osborn Klipp has one run under his belt and will be interesting to see for his new trainer here. Faces quite easy opponents and should have a good chance to finish to victory despite this number. 9 Camaro Brick has earned some money but we expected more. Easier opponents now and early contender. Will be interesting to follow after a break. 7 Mimmi Dynamite started this year well with a couple of wins but she galloped twice in the last run and the form is a question mark. 1 Marion is reliable and she could take advantage of this nice number.

Only five horses. 5 Mjölner Röder is much more experienced than his opponents and has also met the best horses of his year. Has looked nice lately and will be hard to beat. 4 Myllkärrs Alma won in the lead two starts back. Tried to repeat that effort in the last run but gave up at the end then. This short distance is an advantage. 3 Järvsö Olov is not reliable and this small field is a big advantage for him. Has been on the way up lately and could challenge. 1 Sundbo Grann likes the short distance and will try to lead this throughout.

The favorite looked great in the last race and is very interesting with that one under his belt. 6 Roli Eld was really good in the debut for new trainer Daniel Reden. He got defeated on speed after a tremendous finish. Certainly better now. Hard to beat. 2 Emil Mollyn is new in this class but has been on the way up lately and could take advantage of this nice number. 7 Smedheim Solan got an offensive journey in the last run but gave up. The form is on the way up anyway. Possible if the favorite would fail. 5 Björs Frej is up and down but can finish fast.

Three year old horses. Three talents are a bit better than the rest. **5 Money Smile** has convinced and put in four strong efforts so far. Can do it tough and could simply be the best here. The horse to beat. **6 Epimetheus** has recharged the batteries after the last record in a short distance run. Is chasing the first victory. Easy opponents here. Contender. **7 Bolt Kronos** comes from victory. He did really well and will certainly be more successful in the future. One of our three early contenders. **1 Calla Frontline** has failed lately and the form is a question mark.

The best horses are poorly drawn here. **11 Valle Borka** attacked early in the last run and set a new record. Easier this time and has to be considered very early. **7 Åsa Klipp** has been matched against tough horses of her year. She is strong and faces easier opponents now. Has recharged the batteries and should be followed here. **10 Grådö Bo** has been a surprise so far and scored two sensational wins this autumn. Should not be underestimated again here. **8 Sundbo Söjt** is a nice trotter who was second after a strong final lap in the last run. Early choice with a similar effort.

The favorite has a good chance here. **6 Rocky Tilly** has shown best form lately. He likes the winter and got locked in with energy left in the last run which explains the poor result. Our pick. **4 Vivacious Allie** did not impress after a break in the last run and got a new pause after that. Can do better and faces nice conditions here. **2 Sign Me Up Too** has very good capacity and will be interesting to follow after a break. Is a quick starter and will certainly get a nice journey. **1 Malkin** scored a nice victory but has not competed since the spring. Outsider.

Apprentice race. New drivers behind many horses. **2 Showtimejackflower** has scored two straight wins in the lead and is in great shape. Could reach the front again here and is the horse to beat. **5 Let's Go Ernie** likes this time of the year and comes from victory. He is strong and can do it tough. Prefers quick pace too. **7 Royal T.N.** got defeated by Let's Go Ernie in the last run but is on the way up and should be considered early again. **12 Young King** wins often but needs lots of racing luck with this tricky number.

Fillies and mares. The favorites are well drawn. Several outsiders will challenge them anyway. **5 Mellby Hope** met too good opponents in the last V75 race but before that she showed that she is good for this class. Is in great shape and faces perfect conditions money-wise. Nice number. Our pick. **2 Isa** won in the lead two starts back but prefers the short distance. Mika Forss is an advantage. **12 Jamaica Boko** won the last run but got disqualified. Showed very good form but this number is tricky. **8 Lamona Håleryd** is really good every now and then. Uses to get an offensive start and prefers to run in front. Home track.

The favorite faces nice conditions but meets tougher opponents now. **9 Galileo Journey** has come back really well this autumn and scored three nice wins in a row. Meets tough horses here but is our pick anyway. **8 Devs Definitif** met really good opponents in the last run. He is strong and can do it tough. **3 Bicc's Avalon** finished well in the last run and was improved. Should be on the way with that start under his belt after a break. **4 Selfie Brodde** has been successful under the saddle but got locked in with energy left in the last V75 sulky race. Outsider.
