10 Norheim Bork has surprised by galloping twice lately. The horse is normally stable and has got a short break before this race. The form is of course a bit of a question mark, but at the same time the horse has shown such good capacity and attitude that he still should have a good chance. **12 Kringelandisak** was extremely good two starts back. Barefoot again now and very interesting. **7 Frøyu Jerken** has good speed but is not completely reliable. **11 Skeie Blesen** is possible too but needs some racing luck.
