1 Kiss Me Sisu has a nice starting position and if he manages to hold the lead, he will not be easy to catch. **12 Go Kenneth Go** is good for this type of race, but needs a bit of racing luck to win this. **11 Tenoutoften** did not convince last time but can do much better than that. With the right backs until the home stretch he will finish strongly. **8 F.B.I.** got a run under his belt in the last race and will be better this time.

3 Porter got defeated at the end in the last race but has not started since July. Has won two out of three races from the lead and from that position he should have the best chance to win this wide open race. **7 Pickford** finished well in the last start and showed that his form is on the way up. Normally in the mix. **6 Ready For Party** has started sporadically during the autumn, but if he lives up to his capacity, he is good enough to be in the fight. **10 Enzo De Ronco** is making his second start on Swedish soil and should not be underestimated.

2 Ivan Mauger is a quick starter and if he manages to get past Tui Southwind, he should have a good chance to lead this all the way. **1 Tui Southwind** has not been at his best lately but will get a nice journey here and sprint fast over the open stretch. **9 Earnest** has been doing well for a long time without winning. He should not be overlooked here. **10 That's So Clever** has not won for a while but could cause a surprise with the right trip.

5 Nema Problema took his first win last time for Hans Crebas. He has two runs under his belt and is approaching top form and could score a new victory here. **6 Capitano Z.** does not always convince, but if he has a good day he should be considered early in this wide open race. **4 Norton Pride** galloped straight away in the last race but had shown fine form in the previous races. Normally in the mix. **11 Stensjös Pierh** looked nice but got locked in last time in a V85 race. Could cause a surprise, but needs quick pace in the lead then.
