9 Eld Messi has well bred and has developed a lot for his new trainer this winter. Was strong from outside the leader last time and has been treated after that. Is working well. **7 Grisle Kongen G.L.** looked very nice in the last race and finished strongly but got closely defeated. This is the right distance. **10 Ingvar** met our top duo last time and got locked in with energy left. Barefoot now. **3 Ängsmodde** made it to the Derby. Could lead this for a long time.

3 Zaxton is a real class horse who was often been competing in the V75 and he also made it to the Derby final. He has had a good winter and normally he wins this. **2 Carrotty** looked nice before the last V75 race but galloped in the front. Could lead this for a long time. **4 Lake's Diana** sprinted to victory in quite an easy filly race in the V75 two starts back. **5 Enge Eros** was remarkably improved in the last race and scored a great win.

2 Eagle Brodde has good capacity for this class and seems well prepared here despite a short fever. Good chance to lead this all the way. **4 Bravo Victorio** led all the way in the last GS75 race and won very easily. Driven by the trainer now but early choice anyway. **5 Perseus Digital** was not perfectly prepared for the last race and gave up from outside the leader. Should still be in fine form. **3 Fashionable Dance** is the trainer pleased with and the horse won the seasonal debut last year. Offensive trip and has to be considered.
