RACE 1

COLDSTREAM GUARDS ASSOCIATION HANDICAP CHASE (5)
5yo+ (Rated 0-100) £8,000 2½m25y (4050 Metres)

Going: **Good to Soft (Soft in places)**

Right handed, rather undulating with a gradual uphill finish of around three furlongs. Hurdle races run on Flat course and invariably more testing as a result, that track having been watered during the summer, though races are often steadily run, resulting in fields still being well bunched early in the straight. There tends to be an advantage in taking a wide route on the hurdles course when the going is testing, whilst field sizes for chases are amongst the smallest in the country.

Pace Information: **Very Weak**

1	KING OF BRAZIL (15) (D)	s+t	93
	1B-PU7562 8 12-0 76.2kg Katy Price Dual chaser winner at this time last year and having struggled so far this season, stopped the slide to some extent back over fences when runner-up at Lingfield (16f, soft) just over 2 weeks ago, finding the trip on the sharp side. Back up in distance and cheekpieces are applied.	Shane Quinlan (3lb/1kg)	
2	PERFECT PUPIL (IRE) (71) (D)	s	86
	U18-06990 7 11-10 74.4kg Martin Keighley Hurdles winner this time last year but offered little back over fences at Down Royal (20.6f, good to soft) on Boxing Day. Has since left S. McConville and interesting to see what the market makes of him on first start on these shores. First-time headgear on.	Daire McConville (7lb/3kg)	
3	WALKINTHEWOODS (IRE) (7) (D)	★	100
	48-095732 8 11-9 73.9kg Evan Williams Dual hurdles winner who found only one too good on 4 occasions switched to chasing last season. Out of sorts over hurdles this term but should've won back chasing for the first time this season at Ffos Las (19.4f, heavy) last week, his inexperienced claimer misjudging things. Can make amends.	Osian Radford (10lb/5kg)	
4	NINE NINE NINE (10) (CD)		96
	44-P33832 8 11-1 70.3kg Sarah-Jayne Davies Won this corresponding race last season and having slipped below that mark, ran a cracker when runner-up here (22.7f, heavy) 10 days ago, looking the winner for much of the straight. Fancied to be in the shake up once again.	Conor Ring	
5	KINGCORMAC (IRE) (23)		98
	321P6/P2 9 11-0 69.9kg Joe Tickle Won a 21f Hereford handicap on heavy in January 2023. Below par in a light career since, but confirmed he retains all his ability on his second start after a lengthy absence when runner-up back at same course (20.9f, good to soft) just over 3 weeks ago. Needs to back that up here.	Taylor Fisher	
6	BUMPY EVANS (IRE) (39)	h	86
	600/2 7 10-2(9-13) 64.4kg (63.0kg) Tim Vaughan Offered little in 3 starts over hurdles for Ben Lund in 2022/23 but successful between the Flags subsequently, the latest in May 2024. 10 lb out of the weights on handicap/chase debut when runner-up at Plumpton (17f, soft) in January (jumped sketchily) but expected to take a step forward.	Alan Johns

BETTING FORECAST:

3-1 Walkinthewoods, 4-1 Nine Nine Nine, 9-2 Kingcormac, 9-2 King of Brazil, 13-2 Bumpy Evans, 9-1 Perfect Pupil

TIMEFORM VIEW:

Cases can be made for most, but preference is for WALKINTHEWOODS, who should have cashed in on his much-reduced chase mark at Ffos Las last week but for his inexperienced rider misjudging things. The pair can make amends at the expense of Nine Nine Nine, who won this corresponding event last year and arrives on the back of a good second here 10 days ago. Bumpy Evans and Kingcormac can fight out third.

1	ITSNOTEASY (IRE) (26) 521-96P3 7 12-0 76.2kg  Olly Murphy £100,000 recruit from the Irish pointing field who got off the mark over hurdles in maiden at Uttoxeter in December 2023. Failed to kick on after, however, and hasn't exactly set the world alight on both starts over the larger obstacles in recent months. First-time headgear applied.	s	79
2	ISLE OF GOLD (IRE) (46) 94/U-42 7 12-0 76.2kg  Kim Bailey & Mat Nicholls Maiden pointer who bettered low-key Rules debut when fourth in maiden hurdle at Chepstow in March 2023. Very lightly raced since and got back on track sent chasing despite making hard work of things at Warwick (25.4f) in January. Cheekpieces retained but no certainty to build on that.	s	96
3	HAUT FOLIN (FR) (12) PP5P-22PP 8 11-13 75.7kg  Venetia Williams Runner-up on first 2 starts this season but needs to bounce back from a couple of shockers. First-time blinkers could well be the catalyst.	b	96
4	FORTUNEFAVORSDBOLD (IRE) (15) 7-74P5322 7 11-11 74.8kg  Christian Williams Has displayed more positive signs from her reduced mark of late, finding just one too good on her last couple of starts at Lingfield, albeit flattered by her proximity to eased-down winner back in cheekpieces on latest. Every chance she can go one better.	s	 100
5	INNISFREE LASS (IRE) (26) 121-44472 7 11-10 74.4kg  Stuart Edmunds Improved upped in trip/with cheekpieces fitted when running out a wide-margin winner of 2 handicap hurdles at Southwell during second half of last term. Hasn't kicked on switched to fences this season, but did return to form when runner-up at Chepstow (23.6f, heavy) last month. In the mix.	s	99
6	DUNWORLEY (IRE) (27) P5P7-3442 9 10-5 65.8kg  Nick Kent Remains winless but showed he's still in fair heart with cheekpieces/tongue strap applied when runner-up at Uttoxeter (24f, heavy) just under 4 weeks ago, doing his best work at the finish. Nudged up 2 lb for that effort but he's knocking on the door.	s+t	95
7	SPOTTY DOG (21) 86/PPP-953 10 10-3 64.9kg  Mike Hawker Took a step back in the right direction when fifth of 14 at Taunton (23f, good to soft) in January but let down by his jumping (which is increasingly becoming an issue) when well beaten at Fakenham (29.1f, good) subsequently. That tempers enthusiasm somewhat.	s	98

10-3 Fortunefavorsdbold, 9-2 Innisfree Lass, 9-2 Dunworley, 11-2 Isle of Gold, 15-2 Itsnoteasy, 10-1 Haut Folin, 12-1 Spotty Dog

TIMEFORM VIEW:

FORTUNEFAVORSDBOLD found just one too strong for a second successive start at Lingfield recently and this looks a good opportunity for Christian Williams' mare to open her account for the season. The main danger may emerge from Innisfree Lass, who returned to form at Chepstow last month and the handicapper relinquishes his grip further. Dunworley, who is still looking for a first win but is firmly knocking at the door, rounds off the shortlist.

1	MAHONS GLORY (IRE) (71)	5180-24P7 9 11-10 74.4kg	98
	Dylan Cunha	<i>Lee Edwards</i>	
Runner-up in handicap at Southwell (20.4f) on chasing debut in June but went backwards from that effort at Perth next 2 starts. After 4 months off, well held over hurdles at Kempton on Boxing Day, so needs to get back on track having left Patrick Neville.			
2	PLAISIR DES FLOS (FR) (84) (BF)	01111-133 6 11-4 71.7kg	98
	Fergal O'Brien 	<i>J. Hogan (3lb/1kg)</i>	
Went from strength-to-strength in handicap hurdles last year, bringing up the 5-timer at Carlisle (20f) in October. Ran well when placed on his last 2 starts, third at Bangor (23.2f, heavy) in December, and he's an interesting contender on chase debut.			
3	IMMORTAL FAME (IRE) (18)	112-P2111 9 11-3 71.2kg	100
	Deborah Cole	<i>Cameron Iles (7lb/3kg)</i>	
Multiple winner over hurdles for Tom Lacey and has been thriving given another try over fences for current yard, completing the hat-trick with a comfortable success at Southwell (20.4f, soft) 18 days ago. Leading contender.			
4	ABBEYDALE (FR) (46)	16/469-F25 7 11-2 70.8kg	95
	Fergal O'Brien 	<i>Liam Harrison</i>	
Winning hurdler for Gordon Elliott but yet to convince over fences for current yard, falling on chase debut before no match for winner when second of 3 in novice at this course (20.1f) in December. Well held at Warwick last time and others more persuasive.			
5	MAJOR FORTUNE (IRE) (14) (D)	112-166P4 7 11-1 70.3kg	73
	Dan Skelton	<i>Tristan Durrell (3lb/1kg)</i>	
Big improver stepped up to 2½m+ last season, winning 5 on the spin and adding to his tally at Newton Abbot (16.8f) in October. However, form has gone the wrong way since, including when fourth of 8 in handicap at Warwick (20f, soft) on chasing debut 2 weeks ago.			
6	KING ARISE (IRE) (41) (BF)	4-2122 8 10-13 69.4kg	99
	Dr Richard Newland & Jamie Insole	<i>Charlie Hammond</i>	
Fair maiden hurdler who has improved sent chasing this season, scoring in good style at Wincanton in December. Runner-up both starts since, beaten ½ length by Immortal Fame at Uttoxeter (20f, soft) in January, and he can be thereabouts once more.

BETTING FORECAST:

15-8 King Arise, 9-4 Immortal Fame, 9-2 Plaisir Des Flos, 10-1 Mahons Glory, 16-1 Abbeydale, 16-1 Major Fortune

TIMEFORM VIEW:

IMMORTAL FAME continued his excellent start for his current yard when scoring with something in hand at Southwell on his latest outing, so he is taken to continue his progress and land the 4-timer. He can confirm the placings with King Arise from when the pair met at Uttoxeter in January, with Plaisir des Flos one to note on chase debut.

	1168-31P3 7 12-0 76.2kg Henry Daly Dual winner over hurdles who confirmed promise of chasing debut when winning 4-runner novice at Exeter (17.5f) in December. Shaped as if amiss next time, but soon back on track when third of 5 in handicap at this course (15.9f, heavy) 22 days ago. Respected.	David Bass

	512-8U231 7 11-12 75.3kg Noel Williams Fair winning hurdler and good effort when runner-up at Wincanton on second start over fences on Boxing Day. 3	EASY TO FOLLOW (IRE) (15) (D)	67
	3114-264 7 11-5 72.1kg Dr Richard Newland & Jamie Insole Won first 2 starts over hurdles and resumed with good second in handicap at Bangor in October. However, has disappointed both outings since, labouring long way out when last of 4 at Lingfield (20f, soft) on chase debut 15 days ago. Cheekpieces reached for.	Luke Scott (5lb/2kg)
4	KOSASIEMPRE (FR) (43) (C, BF)	97

Party Vibes wasted no time getting back to form when third against the males at this course last time and could be the main danger, ahead of Shakeyatailfeather.

	721P4-417 7 12-0 76.2kg Martin Keighley <i>Daire McConville (7lb/3kg)</i> Course winner who was much improved dropped back to 2m when doubling chase tally at Lingfield in December. Went off too hard back at 2½m at that venue 5 weeks ago but better showing anticipated returned to this shorter distance.	
2	YOU SAY NOTHING (IRE) (15) (D)	99
	P40P6P81 10 11-10 74.4kg Christian Williams <i>Sam Twiston-Davies</i>  Largely struggled since last summer but refitted with a hood, justified good support to make all in 6-runner handicap chase at Lingfield (2m, soft) 15 days ago. Nicely on top at the line on that occasion, so foolish to rule out another bold bid up 5 lb. Hood left off.	
3	SMART CASUAL (39) (BF)	s+t ★ 100
	24B2-3323 7 11-4 71.7kg Anthony Honeyball <i>Richie McLernon</i> Remains a maiden but made a promising start over fences when placed on his first 2 outings of the campaign. 4	TOMMY DILLION (IRE) (12) (D)	98
	14U43/P-PP 9 10-12 68.9kg Richard Rowe <i>Niall Houlihan</i> Winning hurdler but has clearly been difficult to train and continued his theme of non-completions in this sphere when pulled up at Fontwell (21.6f) 12 days ago, weakening 3 out. Plenty to prove at present.	
5	MASTER MIKEY DEE (IRE) (12) (D)	v 97
	65333/P49 10 10-3 64.9kg Richenda Ford <i>Harry Reed</i> Generally struggled since making a winning chase bow 3 years ago and he failed to build on minor promise showed at Fontwell in January, when a well-beaten ninth in 10 runner handicap chase back at that venue 12 days ago. BETTING FORECAST:

11-10 You Say Nothing, 11-4 Smart Casual, 10-3 Bobbi's Beauty, 25-1 Master Mikey Dee, 33-1 Tommy Dillion

TIMEFORM VIEW:

YOU SAY NOTHING belatedly capitalised on a tumbling mark and justified good support in the process when making all at Lingfield (2m) 2 weeks ago. He remains with plenty of handicapping scope on the pick of his form over fences and earns the vote ahead of Bobbi's Beauty, who is expected to appreciate the return to this sort of trip. Smart Casual would also be a threat if lining up here.

1	JOKER DE MAI (FR) (58) (BF)		98
	1/412222-3 6 12-6 78.9kg		
	Harry Derham	Mr David Maxwell	
Useful chaser in France and also landed 2m3f handicap hurdle at Lingfield for his new yard last winter. Has held form since and travelled well for a long way when third on hunter chase debut at Taunton (21.7f) in January and feasible to think he could step up on that.			
2	ONE TRUE KING (IRE) (293) (C, D)	v	92
	3722116-7 10 12-6 78.9kg		
	Miss B. Coward	Mr Martin McIntyre (3lb/1kg)	
Fairly useful hurdler/chaser for Nigel Twiston-Davies. Arrives fit from the pointing field, albeit beaten a long way when fifth on latest outing in February.			
3	YCCS PORTOCERVO (FR) (230) (D)	s	100
	163P1-110 10 12-6 78.9kg		
	Dr Richard Newland & Jamie Insole	Mr Jack Andrews	
Useful chaser who landed pair of hunters before completing hat-trick at Market Rasen last summer. Off since coming in fourteenth in Summer Plate at Market Rasen 7 months ago but has won off a break and he's a player returned to this company.			
4	A JET OF OUR OWN (IRE) (58) (D)	s+t	92
	1P 8 12-2 77.1kg		
	Matt Sheppard	Mr Frederick Philipson-Stow (7lb/3kg)	
Prolific winner in points who started Rules career in same vein when winning hunter at Cheltenham (16.3f) last May. However, well held between the Flags in recent months and he was in trouble some way out when pulled up at Taunton on latest outing 58 days ago. Bounce back required.			
5	COOLDINE BOG (IRE) (280)	v	79
	3P/3U4-PP 12 11-12 75.3kg		
	Miss Amber Jackson-Fennell	Mr Harry O'Dwyer (7lb/3kg)	
Largely struggled to make an impact in hunters around this time last year. Lines up here having won a small-field contest between the Flags last month but this a much taller ask returned to this company.			
6	FAN DE BLUES (FR) (693) (D)	t	95
	43118P6/ 10 11-12 75.3kg		
	Miss Nikki Henton	Mr Toby McCain-Mitchell (3lb/1kg)	
Smart handicap chaser who has been absent since finishing sixth in the Topham over the National fences at Aintree on final start for Willie Mullins in April 2023. Things clearly haven't been plain sailing since so the betting can likely prove an informative guide on hunter debut.

YCCS PORTOCERVO has an absence to overcome but his record fresh is a positive one, so he's fancied to hit the ground running back from 9 months off and take his record in hunters to 3 wins from 4 starts. Joker de Mai shaped as if he'd come on for his reappearance third at Taunton in January and he rates the chief danger.
