8 Månlykke A.M. was back in good form last year and did really well together with Magnus A Djuse. Now the horse is making his seasonal debut, and his form is unlikely to be at its peak, but this small field is a big advantage. Good chance to finish to victory. **5 Tekno Jerven** opened very fast in the last race and could take the lead here. Barefoot now. **7 Järvsöodin** beat Tekno Jerven in the last race and did really well. **3 Frivoll Gorm** is becoming more and more established in the older elite.

4 Pyseidon showed good speed as a 3-year-old. If the horse has developed during the winter, he is very interesting in this open race. **14 Erik K.N.O.** did well as a 3-year-old. Is not reliable, but without a mistake he is an early contender despite a lot of handicaps. **13 Thim Tabac** has a run under his belt after the layoff. Has very good speed. Should be considered. **5 Vejmo Kongen** is showing good times and is interesting here together with Magnus A Djuse.
