RACE 1 — V4-1 — Auto 1640

RANK

1 Porter gets the tip in this fairly mediocre race. He faces tough conditions money-wise but shows good form. Barefoot and bike now. Also a driver in fine form. **5 Farrock Bulsara** has a good draw and is in better form than the results show. Should be considered early in a fairly open race. **4 Getting Rid Of** has not won yet and is not a superstar but the horse is an early contender in this company. **6 Ras El Hanout** has not won either but is not that bad and runs barefoot for the first time.

RACE 2 — V4-2 — Auto 2640

RANK

1 Excalibur Gene is trained by Maria Törnqvist and has done well after a layoff. He faces tough conditions money-wise and this number could be a bit tricky. Good chance anyway in this stayer race. **6 Haxo d'Avignere** is strong and likes the long distance. Makes his debut for Linda Tovek after a long layoff. Should be considered early on. **12 Trixwithtrimmix** is clearly better than the latest results show. Has faced tough horses in the V75 and is driven by in form Victor Rosleff. **9 Västerbo Voodoo** is perhaps the best horse and likes this distance but the form of Robert Bergh's trotter is a question mark.

RACE 3 — V4-3 — Auto 2140 — RANK

2 Old Maid Boko won straight from the lead in the last race and should be even better now with that run under his belt. Quick starter and our favorite for the lead. **1 Anna K.J.** is quite tough but has got a good lane and can open fast. Two runs under his belt and is a challenger. **4 Ottens Lady Gaagaa** is coming off a strong win and is in good form. Good draw and early choice. **3 Gipsy Roc** comes from Italy and makes his Swedish debut here for Jerry Riordan. Hard to predict of course but should be considered early with Jepson from here.

RACE 4 — V4-4 — Auto 2140 — RANK

8 Faen Troot is exciting in his Swedish debut here. The Italian has ten wins in 29 starts and comes with three victories in a row. Difficult lane and hard to predict of course but very early choice. **12 Nasdaq Newport** has also three wins in a row and is in top form. He has a tough number too but should be considered early. **5 Kiss Me Sisu** is possible too. He was superior in the last snowstorm and will probably get an offensive trip here. **9 Double Nature** was second ahead of some of today's opponents in the last race.
