8 S.G.Mistral reach the front over the short distance in the last race and won comfortably. Better now and the seven-year-old should have top chance despite this starting position. **9 Zätamustangen** is consistent and with the right trip from behind he should be the biggest threat to our pick. **7 Bettle Hanover** will compete barefoot for the first time in a long while which is an interesting change. **6 Underbarosåfin** has won eight out of eleven races from the lead and should not be completely discounted.

12 Edla Karma is capable but not reliable. The mare owns good speed and without a mistake she has the best chance to win this race. **13 Frier Karma** has put in consistent and good performances all the time, but doesn't win very often. Good for this context and is one of several contenders in this wide open race. **9 Haderian** has galloped in both starts after a layoff. Is gifted and should be considered early without a mistake. **3 Pave Jerkeld** won from the lead in the last race and if he gets there again he will be in the mix.

6 Konnässör needed the last race and will be improved now. Runs barefoot for the first time which is exciting. Our pick. **9 Grand Eagle** won the last time after a perfect trip. With a similar journey he could score a new victory here. **10 Adora Liss** is coming back after a long break and for a new trainer. If well prepared the mare could win straight away. **5 Caliber Af Teda** scored a strong win but has been a scratch since then. Normally in the mix.

Djuse again and if he just avoids a mistake the all the way he has a good chance to score the second win of his career. **7 King Of Goldneck** has found top form after a mediocre start of his career. Is strong and can do it tough. **11 Tulepo Honey** has won two out of five races but has been a scratch due to a throat infection after the last race. Normally in the fight for victory. **8 S.G.Felicity** was clearly positive in the last race. Has good skills and should not be overlooked.
