11 Parker has done everything right so far and is undefeated after four starts. Convinced a lot in the last race and should have top chance again here. 15 Capital Gain C.C. comes from an elimination heat to Kungapokalen. He meets easier opponents this time. 14 Pelas Orthos prefers to attack from the back and has really good speed at the end. Place chance with the right trip. 12 Torte Lini has quite good speed when he avoids a mistake. With the right journey he could be in the mix here.

5 Swisha met quite tough horses as a three year old last season. She resumes from a long spell now but is well drawn and she is our pick directly here. 4 A Whispering Angel got a tough start in the last race before she reached the front. Came in fifth and did alright. Should be considered early. 9 Lyckans Marre has not won yet but could soon score the first victory. Has got a nice number for a defensive trip. Contender. 2 Estelle Godiva was second from behind the leader in the last race and did well. Should be followed again here.

2 Illfindmywayhome found the position outside of the leader with one lap to go in the last race and was brave. He has earlier won over this short distance and is well drawn here. Our pick. 5 B.G.Pastor Jonte should be considered early too. He likes this short distance and is consistent and good. 1 My First Offspring has galloped lately but is better than the latest results show. Should not be overlooked if he avoids a mistake. 11 Walk Out had energy left at the end in the last race. Could go around many opponents here in case of fast pace.

10 Mo Sjur made his debut for a new trainer in the last race and scored a convincing victory. Tricky number now but early choice with the right journey. 7 Stjerne Tore has been a bit up and down so far. He needed the last race after a break. In the mix if he is at his best. 13 Tangen Töff can do it tough and uses to be in the mix. Will go around many opponents here too. 4 Vimse Lars did not trot perfectly in the last race. Scored a good victory before that.

11 Morotai Degato needed the last race after a short break. Should be improved by that run and is our pick in this nice stayer race. 3 Carry Cash has not raced since January. Is strong and likes this distance. Should be considered early directly here. 2 Ottens Hero makes his debut over the long distance. Finished strongly the final 700 meter in the last short distance race. Could lead this for a long while. 13 Matadoren Eme has scored two splendid wins in a row lately. Will go around many horses again here but needs some racing luck.

4 Disco Volante gave up in the lead in the last race but is a top short distance runner who faces nice conditions here. He is better drawn than his main rival and is our pick here. 6 Missile Hill put in a good effort in the last seasonal debut even if he did not win. Should be improved by that run. Early contender. 5 On Track Piraten seems still in great shape. Will normally find it tough to beat our top duo but he has good place chance. 1 Lawmaker resumes from a spell. Is well drawn and could score a place too here.
