Plenty of decent efforts in defeat last season and returned from a 4-month absence with creditable third at Chelmsford in February. Not in same form at Southwell a further 9 weeks on but bounce back expected given his good C&D record.

Didn't look the most straightforward in 4 starts for Charlie Hills and similar story in 4 runs for this yard. However, went remarkably close given how hard he pulled at Leicester 12 days ago so he's certainly capable off current mark.

Jude Fernandes (7lb/3kg)

TIMEFORM VIEW:

GREAT BLASKET hadn't been in much form on the all-weather this winter but returns to the turf well handicapped as a result. He could be worth chancing at the main expense of the reappearing Kodi Fire, who took his form to another level when completing the hat-trick over C&D last summer. Posted easily her best effort in handicap company when third of 11 at Lingfield (13f) in December. Followed that with a below-par effort at Wolverhampton on final start for William Muir & Chris Grassick but interesting from this mark if bouncing back after a break on first outing for a new yard.

Merely needed to confirm previous form to capitalise on the drop in grade on first outing since leaving David Menuisier after 11 weeks off in 8-runner minor event at Wolverhampton (1½m, 7/4) in February. That looks solid enough form for the level so another good run expected.

MOON OVER THE SEA gained reward for some respectable efforts when scoring at Bath recently and is the percentage call to follow up from the same mark. Consistent rather than progressive but is at least getting some respite from the handicapper. Off 7 months.

7 4 MY MATE KEV (16) (D) 90
506809-05 4 9-5 | 59.4kg

Chris Dwyer

Silvestre De Sousa

Won at Newmarket off 9 lb higher a year ago but has struggled subsequently, though did at least step on his return when fifth of 6 at Yarmouth.

8 10 CANDY WARHOL (USA) (10) (D, BF) s+t 95
9326-5422 7 9-4 | 59.0kg

Scott Dixon

Kieran O'Neill

All 3 of his victories have come at Wolverhampton and was a decent second there last time. Effective on turf having gone very close at Brighton/Chepstow around this time last year. Player.

9 2 DARK SUN (12) 99
67-620257 5 9-1 | 57.6kg

James Bennett

Laura Coughlan (3lb/1kg)

Still seeking first win but went very close a couple of times on the all-weather early this year. Met traffic after 8 weeks off back on turf at Leicester 12 days ago and should build on that.

10 1 JUST JUMP (IRE) (29) s ★ 100
5473-3758 4 9-0 | 57.2kg

Tony Carroll

Rossa Ryan

Potentially on a good mark on his Irish form but his tardiness at the start and free-going ways are holding him back currently. Headgear back on.

11 3 DREAMBIRD DOLLY (189) s 95

76633650- 4 8-4(8-3) | 52.6kg (52.2kg)

John Gallagher

Saffie Osborne

Maiden who ended last season badly out of form.

BETTING FORECAST:

9-2 Candy Warhol, **5-1** Twirler, **7-1** Phoenix Moon, **8-1** Just Jump, **10-1** Midnight Call, **10-1** My Mate Kev, **12-1** Dark Sun, **16-1** Margorie, **16-1** May Encounter, **25-1** Capote's Dream, **40-1** bar

TIMEFORM VIEW:

TWIRLER is in better form than her recent form figures suggest and she could be the answer back on turf (C&D winner last summer). Candy Warhol has been in good form on the all-weather and is effective on turf, while Just Jump is on a good mark if it all comes together.

TIMEFORM 1-2-3:

1. TWIRLER 2. CANDY WARHOL 3. JUST JUMP
