2 Stan Getz A.T. had been improved by the comeback two starts back and won easily in the lead on Eskilstuna. Nice number to reach the front again. 9 Tour de Valley won closely in the lead in the last debut. Has to attack from behind now but should be considered early again. 10 Flaps Out was fifth and not as good as when he won the debut before that. If he repeats the effort from Vaggeryd he is possible here. 4 Sharp Object should be improved by the last run after a long pause. He makes his debut behind the gate here.

3 Gill Higgins A.T. has eight wins in 19 starts so far but only one in Sweden. She is well drawn and our pick here. 4 Isla Vanilla had a nice season last year with four wins in six starts. Got locked in behind the leader with energy left in the last run. Interesting here. 1 Stepping Moneygirl did not convince last Wednesday but has got a better number this time. Place chance but needs some racing luck. 5 Favorite is chasing the first victory. Was a non-starter a couple of weeks ago and the form is a question mark. Outsider here.

4 Park View could never reach the leader in the last run but scored a strong second spot. He should have a good chance to reach the front here. Our winner in that case. 5 Global Bookmaker was second in the last V75-race and put in a very strong seasonal debut. He has only three wins in 66 starts though but many second and third spots. 1 Bear Hope could not find the lead with this number one in the last race on Åmål. Will certainly get a nice journey. 10 A Good Point made his first start as a gelding in the last run. Outsider here despite this back row draw.

6 Samedis is our pick directly in this seasonal debut since we think she will find the lead here. She is well bred and showed the right attitude when winning from outside the leader on November 25. 13 Global Confession has scored seven wins in 23 starts. Galloped directly in the last circular start. Will normally defeat many opponents here. 8 Athena Face came back strongly after a mistake in the last run. Tricky number here but early contender with the right journey. 10 Tasherit likes this long distance. Could cause an upset here with the right trip.

6 Kinge Svarten did not compete last season but is back in good shape again. Comes from a convincing win in the lead even if he was pressed all the time. Top chance. 11 Tangen Braute is the main challenger. Scored a good win over the short distance in the last run. Longer distance now but he stands it. Tricky back row draw. 10 Guli Frodo got a nice trip last week on Lindesberg and seems in good shape. Contender. 5 Fantomet is a bit up and down. If he is at his best he is possible here.

2 Racing Brodda is our pick since she is better drawn than her main rivals. She finished well when she found room in the last Stoeliten race on Solvalla. 7 Sweetman scored the first win of the year in the lead in the last run. He prefers to run in that position. Will certainly get an offensive start despite this number. 3 Dark Roadster is a quick starter and competed in Speedrace on Solvalla during the Elitlopp weekend. New driver now. 5 High Glider has place chance but needs some racing luck here. Finished alright in the last run.

10 Sultan Sea comes from a good third spot after a short break. This number on Åmål is tricky but this long distance suits him very well. 5 Luca Vialli Boko is a slow starter and our pick could even be ahead of him directly after the start. He is strong though and has the right attitude. 4 Theycallmesixten got a tough start in the last run and was very brave. Has two runs under his belt now and will soon score the first win of the season. 3 Dartboard is on the way up and has got a nice number here.

7 Loaded Olle is our pick in this open race. He is a bit up and down but should have a good chance if he is as good as in the last race on Eskilstuna. 4 Ramos won with energy left in the lead in the last run. He has got a tricky number here but is an early contender without a mistake. 6 Belgique needed the last race after a layoff. Could find the lead here with Björn Goop and this number. Early choice. 3 La Fille de Niky has two runs under her belt after a long break. Is good for this class and should be followed.

Our pick. 5 Eton Degato got a tough run outside the leader in the last run and was brave. Will go for the lead now and has to be considered early. 7 Listas Pippi faces perfect conditions money-wise and is driven by Stefan Persson this time. In the mix with the right journey. 3 Estella Nova was a bit fiery and galloped directly in the last start. Outsider.

Is poorly drawn now but with the right trip he will defeat many opponents. 6 Sweet Lins is consistent and good. With the right journey she could be in the mix again. 2 Draupner comes from a tough V75-final during the Elitlopp weekend. Remains in this class and has got a nice number.
