8 Sandie's Dream comes from a strong seasonal debut and was second to Desert Eagle just closely defeated. Tougher opponents now but our pick anyway. 5 Shenanigans comes from a well deserved victory. Faces tougher weight though toward Sandie's Dream since their latest meeting. Possible. 2 Negroamaro started this season with two wins in Class 3. Should not be discounted despite tougher opponents in this handicap. 4 Sir Antonelli was improved in the last race and this jockey is an advantage.

2 Elektra Torkdahl finished strongly to second in the debut and will be improved here. Top chance. Banker. 7 Foretell is an import who faces very nice conditions here. Longer distance now in his Scandinavian debut. Main challenger. 1 See The Universe is fast but also tricky. Possible if the well bred three-year-old filly lives up to her capacity. 10 Lets Go Carlras has been matched against quite tough opponents so far and is one out of many contenders in this open race.

7 Drot Torkdahl comes from a comfortable maiden win on Klampenborg and this longer distance is perfect. 3 Go Go Surprise scored three wins as a two-year-old in six attempts and this apprentice claims four kilo off in this seasonal debut. Has to be considered early. 1 Silverflame won very comfortably over these conditions on this track in the seasonal debut. Early choice in this company. 5 Spinoza was a couple of lengths behind Silverflame in the seasonal debut and faces better weight conditions towards the latter one today. Typical outsider.
