14 Fleetfoot S.S. showed in her debut as a 3-year-old that she is something extraordinary. The four-year-old has earned surprisingly little money and faces easy opposition. **11 Logan Huntzberger** showed nice resources last year and is an early contender if he is at his best. **5 Uncommon Tile** is one of the best horses in the first circle. **12 Little Eva** could pass many horses over the home stretch. **6 Scorpion d'Inverne** has to be considered from the front.

6 Global Federation has developed a lot for trainer Robert Bergh. Could get a trip outside of the leader but we expect him to be the strongest at the end. **1 Gladys R.** generally meets easier opposition. The speedy mare faces nice conditions and could be in the fight for victory. **4 Youcan'taffordme** has two wins in a row under the saddle and is showing good form. **3 Ki Ti Vi** is on the way up and can score a place with the right trip from behind.

6 Sinatra put in a strong effort in his Swedish debut. He should be even better now and has a good chance to reach the front from here. Once there he will be difficult to pass. **1 Ni No Noix** has shown good capacity for Fredrik Persson and is the main challenger. Seasonal debut and debut for trainer Robert Bergh is highly interesting. **11 R.K.Kiara** hasn't convinced at the end but has high potential. **2 On Track Massimo** fought well against tough horses in the last race.

1 Baron D. Sox is a good horse from the Christoffer Eriksson stable. Quick starter and perfect lane and from the lead he will not be easy to defeat. **5 Monsieur Chocolat** has been matched at Vincennes this winter and with his strength and sprinting ability he will pass many opponents during the final lap. **3 Aberama Gold** is not entirely reliable but has good speed with the right journey. **6 Gasparito** makes an exciting debut for this trainer.

3 Frances Will has started strongly after injury problems. Debut behind the gate, but she should be able to open fast here as well. With this lane she is our favorite to take the lead and there she is the horse to beat. **4 Special Jog** has not won yet. Rosleff now is an exciting change and with some racing luck it could be time to break the winning streak. **5 PackedwithasTrot** is an early challenger for both the lead and the fight for victory. **7 Sanctuaire** has good speed but needs a nice defensive journey.

2 Flight Sequence has made five starts for Robert Bergh. He is both strong and fast, and can open fast. Is ideally drawn now and will go for the lead - and once there he is the horse to beat for the others. **9 Franky Bahia** has shown good talent and great capacity, but is not reliable. Without a mistake he can win this race the hard way. **3 Emirre** made a comeback in the last Harper Hanover's race. Much easier now. **4 Opening Night** has shown high capacity.

2 Global Halo has started his career very promisingly and his only loss came against top horse Time The Hill. Now the opposition is easier, the number is perfect and regardless of position, the chance of winning should be good. **1 Followup** looked nice last time but got locked in. Better draw now and could be dangerous with some racing luck. **3 Ismenis** is a quick starter and has been consistent and good. Early choice behind the favorite. **8 Graffiti Brodda** is all-round and can do it tough.
