8 Thewinnertakeitall has clearly earned the most money and has a good task here despite a poor draw. Is much better than the latest results show and gets the tip. **9 Rainman O.** is coming off victory. He won from the lead then but has a different post now. The longer distance is no advantage either. **7 Gautut Gardenia** was third in the last race and beat several of today's opponents, including our pick. Won four races last year and is possible here too. **5 Grand Queen** wins quite often and was successful at this track in April. Was second from the pocket in the last race and is at least a place bet here.

7 Hans Gustav won from the lead two starts back but comes from a gallop. He probably likes today's starting method and certainly goes for the lead. Good chance. **12 Madla Lynet** is good enough to challenge but has a poor draw and returns after a short rest. Hopes for quick pace. **6 Haugens Fröya** finished very well as second after an inside trip in the last race. Run under his belt now and definitely on the way up. Early choice. **8 Uberg Tor** comes from two good races and is should not be overlooked here either despite this difficult starting position.

2 Wilma O. has won three out of four races this year and is in good form. She faces tough conditions money-wise but has a good chance of reaching the lead. Difficult to beat from there. **8 Special Toy** showed the right attitude two races ago and comes from a second place from the front. Tough draw now but this small field is an advantage. **3 I'monthephoto** started the year with two wins in a row. Has not been at his best after that and galloped but is now back after a short layoff. Contender. **4 Hank Parker** was second from the lead after a short layoff in the last race and should be even better now. A place chance.
