6 Mr Spain has good capacity for this class and faces nice conditions here. Excellent draw should mean a good position and Olle Alsén's 4-year-old is the horse to beat. **2 Restricted Edition** has great capacity, but does not trot perfectly. If he competes at his best, he is an early challenger. **3 Fashionable Dance** is normally a quick starter and did well in the last race beating quite easy opponents. **12 Pennywise** has been good in the last few starts. Tricky draw but possible with some racing luck.

4 Ebbot Rice is a capable horse but has only started nine times. He is coming back after a layoff and is hardly at his best right now, but competes in a low class. **2 Second Serve** beat very easy opponents last time. From a good starting position he is an early choice here. **12 Sartre** is really good when he avoids a mistake. Is better than the results show. **1 Sam Clean C.G.** has a tricky number and needs some racing luck. In the mix in that case.

8 Guldhagens Oscar has six wins in a row and shown the right attitude. Has made quick money, but is developing really well. **10 Eld Prinsen** is a winning machine that has two runs under his belt after a long layoff. Was fourth last time and not at his best. Good chance of revenge despite this position over the short distance. **4 Rams Bror** did well in the last race a bit behind the leader. **1 Hulte Sixten** was very good in a tough field last time.

8 Epic Kronos is one of the best five-year-olds in Europe. Was really nice in the seasonal debut. Top chance despite this lane. **3 Zaxton** has a perfect starting position. He is coming more and more and has earned over a million Swedish crowns. Can open fast. **10 Icebreaker D.K.** will be interesting to follow in the future, but is certainly not at his best now after a long layoff. **4 Cabron** is one of the better horses in Norway, but he has not started for a while.

6 Night Art never had a real chance last time but had shown good form before that. He is going down a bit in class now and is normally both fast and strong. **7 Santos de Castella** has two races under his belt since coming back from a French adventure. Strong horse for this class. Prefers to run in front. **2 Portofino** is strong and has done well in easier companies lately. **9 Florence Ima** has surprised by galloping twice in a row. Uses to finish fast.

4 Little Coco lost as a big favorite in the last race but did alright. Barefoot now is interesting as is Örjan Kihlström. **8 Homely Style** has shown good talent so far. Needs some racing luck from a poor lane. **11 Maverick** impressed in the debut and also in the second start. Didn't trot perfectly last time, but the horse owns good capacity for this class. **12 Miss Matters** has two wins in a row, but now she faces stallions and geldings.
