6 Zacapa Grim has met tough opponents lately and not won for a while. He is very gifted and should have a good chance here. 7 Roller Coaster Ås comes from a nice victory and is in great shape. Poor number but this field is small. 3 Divane Godiva has not won for a while but has good capacity. 2 Artemide Zack is gifted and should reach a nice position directly. He should be considered as well here.

4 Redbull Pellini kept up the pace alright after a trip from far back in the last race. Better number this time and good chance. 7 Cherie Effe makes he debut in Sweden. Comes from a start in Italy and won after a journey from outside the leader. 12 Rarity A.F. wins often and has four victories in eight starts. Tricky number but early contender anyway. 11 Superiore is up and down and the chances are not easy to predict. Possible if she is at her best.

1 Hollywood Wildcat looked nice in the qualifier under the saddle and makes his debut here for new trainer Carl-Otto Göransson. Perfect conditions here and a good jockey. Good chance to win. 8 Hövding Sting has only one win after 41 starts which is not impressive. Has good speed though and is an early contender here. 3 Diamond Flame comes from a couple of second spots in home country Denmark. Is in good shape and used to compete under the saddle. 7 Listas Braveheart is a lot better than the latest results show. Contender.

7 Wingait Henke has five wins in eight starts and has been heavily backed against much tougher opponents than these. Has not convinced lately though and resumes from a spell now. Hard to beat. 8 Ups Face has shown good speed for this class too. Is poorly drawn though and just a challenger. 9 Go All Night has been consistent and good lately and is in good form. Needs some racing luck with this back row draw. Possible in that case. 1 Anxious to Matters will get a nice journey here with this number and should not be overlooked.

11 Lilliannes Love has galloped against much tougher opponents than these lately. Has made late mistakes after strong performances and should have a good chance here despite this number. 1 Global Be Happy faces nice conditions here and if she finds the lead with this number one she should have a good chance here. 12 Moofushi has been heavily backed so far. He has not raced for a while now and the form is a question mark. 3 Famous Flame has not won yet after eleven starts but we think the horse will soon change that.

7 Evan Williams Sisu finished well from third on the outside in the last race and scored a comfortable win. Is in good form. Early contender again. 11 Quite Special has finished with energy left in two straight starts and is in great shape. Good chance to win here. 10 Digital Process won five races back and needs to defend those points today. Normally an early contender here. 12 Rapide Frecel resumes from a spell and the chances are of course not easy to predict here.
