

RACE 2

Volt 2140

6 Tekno Viking was only third in the V75 last Saturday but put in a strong effort. In this five-year-old race he should have a good chance to win. 8 Gisleprinsen G.L. was clearly beaten by our winner when they met at the end of May. Good chance to be in the mix here. 4 Blixen has two straight wins and is in great shape. Faces tougher opponents now but is chasing a good result again. 7 Kinge Svarten is good for this class but the form is a question mark now.

5 Marre's Dreamboy tested the long distance in the last race and put in a strong final lap. Scored a very nice second spot on Solvalla before that. Our pick. 3 Epimetheus was second in a Sprintermästaren elimination heat but galloped at the end in the final. Got a month's pause after that. 1 Comes with Age scored a strong third spot behind a good duo the last time he visited Rättvik. Quick starter and early contender. 6 M.T.Perette is the only filly in this race. Was close to make it to Stochampionatet in the last race.

1 Imakemyjokes has won easily under the saddle lately and is well drawn. Faces several good horses in this discipline but could lead this for a long while. 14 Restless Heart found the position outside of the leader with one lap to go in the last race and won easily. Will beat many opponents here too. 11 Self Explosive was really good for Jonathan Carre in the last race. Will be ridden by him again and they should be considered. 9 Selfie Brodde has been at least third this year. Will be in the mix here too.

5 Prosperous S. has not raced since April and been a non-starter after the fourth spot in the last race. Is good for this class though and well drawn. Our pick anyway. 10 Calmass is a Norwegian guest who makes his debut on Swedish soil. Has both wins in the lead. Needs to attack from the back now. 6 Alberto Ray was not at his best in the last race. Is driven by the trainer himself again now and scored a really nice victory in the beginning of June. 3 Toujours Un Eclair is gifted and better than the latest results show. Is good for this class if he avoids a mistake here.

11 The World is Mine never found an opening in the last race on Färjestad and looked nice. Is strong and should like this long distance. Our pick. 5 Digital Eye won directly in the debut for Björn Goop in March but has not convinced after that. Resumes from a spell now. Early contender. 2 Sourire Frö makes his debut for a new trainer. Showed two starts back that he stands the long distance and Erik Adielsson now is interesting. 1 No Pressure is developing well. Faces somewhat tougher horses now but should be followed.

9 Viking Brodde is our pick here. Has been unlucky lately and is better than the latest results show. With some racing luck he could score the second win of the season. 2 Van Gogh Z.S. won in the lead three starts back and will certainly go for the front again here. If he will be allowed to dictate the pace he has a good chance. 8 Summit in Sight looks nice and would have been our pick with a better draw. Number eight behind the gate is tricky though. 7 Eddy West needed the last race after a pause. Will defeat many opponents here.

5 Milliondollarrhyme seems a bit better than his opponents in this Golden race. Is well drawn and will go for the lead here. Good chance in that case. 3 Nadal Broline finished well to a second spot on Åby. Can open fast but prefers more defensive journeys now. 9 Snowstorm Hanover is interesting in this debut for a new trainer. He has not shown anything for a while now but Daniel Reden is a top trainer. 8 Makethemark is poorly drawn. Outsider with some racing luck.

2 Sundbo Nova deserves a victory and likes 1640 meter. Scored a good second spot for Björn Goop in June and will be driven by him again here. 1 Bol Brage is consistent and good but did not impress in the last race on Lycksele. We think that was an accident. Nice number. 7 Järvinn S.K. got a defensive journey in the last race and has been matched for this run. The horse does not win very often but would be interesting to see in the lead. 12 Stumne Fyr finished well to a sixth spot. Is consistent but needs some racing luck with this handicap.

4 Perpetuate faces tough conditions money-wise here. The four-year-old comes from a convincing victory though and is our pick. This short distance is the right one and he is on the way up. 1 Condior got a trip from behind the leader with this number one in the last race. Is in good form and faces nice conditions money-wise. 5 Ribot was good without shoes in the last race. Can open quite fast and should get a nice journey here. Has to be followed. 11 Illfindmywayhome is good enough to win this but needs some racing luck with this back row draw.

10 Cyber Lane comes from a second spot in Hugo Åbergs Memorial and uses to meet the best horses. He has earlier shown that he stands the long distance. Our pick. 9 Missile Hill was not at his best in the last start but is good for this class. Debut over the long distance here. 3 J.J.Stitch seems in great shape and could find the lead with this number. In that case he will certainly run at steady pace. 7 Pinto Bob found the position outside of the leader in the last race and put in a strong final lap.

Is gifted and will be driven by Örjan Kihlström now. Could defeat many opponents here. 3 Park View can do better than he showed from second on the outside in the last race. Likes to run in front and will go for the lead here. 5 Cash Cowboy has been competing a lot in the V75 lately. Quick starter. Could cause a surprise but needs some racing luck.

Should reach a nice position directly with this number. 9 Infinite Knight resumes from a short break. Was close to win in the last race and should be followed here. 11 Jalna Boko set a new record a bit behind the winner in the last race and should still be in good form. Good place chance here. 3 Västerbo Mixtra has not won yet after 25 attempts but looks nice. Good number.
