6 Kentucky Sisu won from outside the leader in March and showed the right attitude on the home stretch even if the margin was quite close. Has started once for the new trainer now and should have a good chance to finish to victory. 1 Wild Glide won the debut in Östersund despite a number in the second line. He is well drawn now and has to be considered early. 8 Klingon King has started three times for the new trainer lately and scored two wins and a second spot. Early contender. 3 Atlas A'lir has done well in two starts back the horse is on the way up.

8 Pyrotek has done well lately and faces nice conditions here. He has scored the latest two wins together with Mats E Djuse and handles this distance. 2 Kleppbest was not at his best in the last run but had done well before that. He won with energy left two starts back and put in a good effort over the long distance at the end of June. 1 Alfred R.G. won from behind the leader two starts back and could get a nice journey again. In the mix then. 6 Tåga Ryker can open fast and handles this distance. Should not be overlooked.

7 Happy Go Pepper finished fast to second and fifth before she got closely defeated in the lead in the last run. She can open fast and in the front she should have a good chance here. 9 Seaside Heights was second for the new trainer in the last run and should be able to put in a good effort again here. Tricky number though and will probably not reach the front this time. 8 Ektara has scored all wins together with the trainer. Won over the short distance last month. 6 Charlotta S.H. set a new record in the last run and will test the short distance again.

2 Timeless Sunset won two races in February and March and got locked in with energy left in the V75 on Umaker in May. Our pick. 9 Just More Fun faces nice conditions money-wise and has scored nearly all wins behind the gate. She is consistent and reliable and has earlier won with this driver. 4 Artico Zack has had energy left in several starts this summer. With the right journey he is possible here. 8 Take it Easy Tour is fast enough to be in the mix but needs some racing luck.
