6 Lundåsens Teknik scored a very good second spot in the V75 in Gävle. He is definitely good enough to finish to victory here. 2 Fall Galder has won three times on Dannero and all of them over the middle distance driven by the trainer. Nice conditions and early contender. 10 Olsims Arne faces nice conditions money-wise and faces only horses who have earned less money. Is in quite good form and should not be overlooked. 5 Lassbyns Heta Lina set a new record in the last run with autostart.

7 Itso Sisu has scored three good wins this year. Showed good form after a mistake in the last run and faces nice conditions here. 6 Bottnas Impuls has won five times for this trainer during a bit more than one year. In the last run he showed that he can do it tough and win anyway. 10 Grand Duke likes this distance where he has three wins. In case of quick pace he will be in the mix. 9 Ride Away has shown good form but faces better opponents now than when he has won lately.

11 Andarnas Patron galloped behind the leader shortly before the finish three starts back and in the last run he won easily. The driver knows the horse well. Good chance. 6 Rivan is not reliable but has better capacity than the results show and should be considered early without a mistake. 7 Tora Viola won comfortably from the first circle in July. She has earlier won despite a handicap and all wins are over the middle distance. 3 Viola Viking faces nice conditions here and has earlier won for this driver. Possible.

1 Alexi Quick finished well to third two starts back. Was unplaced in the last run but did not find room. She faces only horses who have earned less money and with the right journey she will fight for victory. 6 B.G.Pastor Jonte likes this short distance and with one run under his belt after a break he should be considered early. 8 Zack Bris got a trip from behind when he won over the short distance two starts back and could be dangerous with the right journey. 2 Eagle in Disguise can do a lot better than in the last run and is possible too here.
