She is driven by the trainer here and should be considered early. **8 Alegrito** has taken twelve wins in 26 starts. He has not raced since April 2024 but looked nice in the qualifier and seems well prepared. **9 M.H. Harderthancash** is not that bad either and faces slightly easier horses than at the end. Hopes for quick pace from here.

8 Björlimindi has taken seven wins in 15 starts and is really good for this company. Gave up from the lead in the last race but had shown good form before that. Magnus Teien Gundersen again and a good chance. **7 Ferden** is coming off his first win of the year, beating Hvatt Siv among others. Should be considered early on . **9 Linnpila** took two wins in a row in March but galloped in the last race. Has had a long layoff since then and his form is a question mark. **4 Hvatt Siv** comes from a second place behind Ferden. She is in good form and with the right trip she is possible in this field.
