4 Bravo Vincero has scored the three latest wins in the lead and with this nice number he should have a good chance to find the lead if he opens as fast as in the last Solvalla race. 8 Hagrid galloped in the last run in Boden but had put in several good efforts in a row before that. Contender with the right journey. 5 Hardox won over the same conditions last year. He has two runs under his belt now after a layoff and should not be overlooked. 6 Maverick Meerkat has been improved lately and should not be overlooked.

7 Courage has started four times in a row for this trainer and won the last two. She has shown that she handles these circumstances well. Our pick. 6 Needle'em has two runs over the short distance this year but scored a nice victory over the middle distance in January. If he is at his best he will be dangerous. 4 Ess Mahatma has won both in the lead and from behind and should be followed here since she faces nice conditions money-wise. 3 Yazmine has two two out of seven wins in Gävle and should not be overlooked.
