TUESDAY, 07/11/23

Summary : JET DES MALBERAUX (1) has been disqualified in consecutive outings recently having won twice and finish 2nd in three previous starts, and he need only demonstrate better application to reconnect with success. JEAN DES GLENAN (9) took advantage of that rival's faux pas to win at Enghien last time and will again fight for victory, as could consistent last-start winner JUVENTUS (3), who races barefoot returning from a break. Stablemates JUST ONE NIGHT (8) and JAMES OF CARLY (2) have the means to pose a threat. JAGUAR DE VILLETOT (12) completes the shortlist.

1. **KOVES DU PONT** - Undeniably capable but appears to have gone off the boil, on the evidence of his last 2 starts. Must reaffirm
2. **KRONOS MADRIK** - Has undeniable means but is yet to show his full potential and will need to bounce back from a recent disqualification. Dark horse
3. **KING GEORGES** - Won on debut and finished 2nd in his next start but showed his limits when only 7th last time at Enghien. Needs to improve but has the scope to do so
4. **KIYOUNI** - Undefeated in two starts, winning on debut in March and at Cordemais in April. One to note on his reappearance
5. **KRONOS DE TROIS** - Unreliable but not incapable of getting into the picture judged on her best references. Hard to trust but is as hard to rule out

14. **KOOL DU PORHOET** - Unreliable but not incapable of getting into the picture judged on her best references. Hard to trust but is as hard to rule out

Summary : KALEO DE BANVILLE (6), despite finishing 6th, caught the eye at Cabourg last time and that race ought to have teed him up nicely for this engagement. He is worth chancing here and gets the nod ahead of last-start Nantes winner KAN DURAN (12) and KAMARO DU DONJON (11) with Eric Raffin engaged. KING OF CHANLECY (7) should not be condemned for his recent disqualification and is also capable of staking a claim. KAKOU CAYENNAIS (10) and KRONOS MADRIK (2) appeal most of the remainder.

SELECTIONS

- 2. IBISSA PRIOR** - Unreliable but bounced back to form with a reassuring (4th) last start at Angers, which gives her a good chance here
- 3. ISLENA** - Unreliable but not incapable of getting into the picture judged on her best references. Hard to trust but is as hard to rule out
- 4. IROISE JISCE** - Consistent for the most part in harness races recently so cannot be taken lightly switching to the mounted code

- 6. ISIS DU DANCING** - Versatile performer and last-start winner in the harness category at Châlons-en-Champagne. Not taken lightly

- 10. INDIANA DE BEAUM** - Has, for the most part, demonstrated great consistency and is likely to right the wrong of her recent disqualification. Keep safe

Summary : A small field assembled for this mounted race and it could pay to take a chance on IZORA BARZAT (9) in her first start under the saddle, having regained momentum in the harness category recently. INDIANA DE BEAUM (10) has already proven herself in the specialty and is more than capable of fighting for victory, so she shouldn't be condemned for her recent faux pas. - 2. IVORY PERRINE** - Has been struggling to recapture her form or remain consistent for some time so is unlikely to trouble the judge
- 3. IRENE FLASH** - Proven performer at this venue and races fully unshod here with Matthieu Abrivard engaged. Has a lot in her favour
- 4. IBANA DE MONTI** - Enigmatic and hard to catch right although not incapable of staking a claim in a race like this. Beware
- 5. INES TURGOT** - Has lost her way and looked rather ordinary for some time now, so her chances - even at this level - can be ruled out
- 6. IPSIE DE LA LUNE** - Has struggled to remain consistent or make the improvement needed to be competitive in a race of this nature. Overlook
- 7. INTUITION SOYER** - Had been hopelessly out of sorts prior to her shock last-start success. Unreliable so best just to watch for confirmation
- 8. IDOLE DE LA TOUQUE** - Last-start winner at the top of her game recently, winning twice and finishing 2nd in her last three outings. Should continue her momentum here

- 10. IRINA DU LUPIN** - Honest hard-knocker with consistent form credentials in stronger races/company. Eric Raffin engaged bodes well for her chances
- 11. IALLA IALLA** - Unreliable at the best of times but, judged on her best references, certainly has the means to win a race of this nature. All or nothing
- 12. ISAKA** - Disqualified after blowing the start at Amiens last time but is undeniably capable of making amends in race of this nature. Keep safe

- 15. IDOLE HAUFOR** - Versatile mare who showed her form and well-being at Graignes last time out, despite being disqualified. Redemption could be on the cards

TUESDAY, 07/11/23

Summary : IRENE FLASH (3) has not raced fully unshod since way back in February when finishing 2nd at this venue. She's been inconsistent of late but is likely to appreciate the conditions so, with Matthieu Abrivard engaged, is worth chancing here. IDOLE HAUFOR (15) is complicated but versatile too, and has remained consistent alternating between the two disciplines. Judged on her best references, she has the means to win a race of this nature and needs only to avoid disqualification to fight for victory. IRINA DU LUPIN (10) acquitted herself well in a stronger race at Les Sables-d'Olonne recently and is likely to play a leading role here with a repeat of that performance. ISAKA (12), IDOLE DE LA TOUQUE (8) and IGANA D'ALB (9) complete the shortlist.

1. **DASSERO** - Acquitted himself very well in the Prix Isara (finished 5th) and will be very competitive here on that form
2. **FIGOLU FRAZEEN** - Has looked rather ordinary for some time now, so his chances are limited even at this level. Ignore
3. **GUIDE MOI FORGAN** - Lines up here in good form and physical condition. Yet to win in the harness category but has every chance of doing so here
4. **EOLIEN DE CHENU** - Unplaced in the Prix Isara recently but performed better than his finishing position (8th) may suggest. Dark horse

6. **EVITA PERON** - Finished 2nd four starts back but has, for the most, looked rather ordinary to this point. Best watched for now

8. **HAVE A DREAM** - Consistent for the most part with sound form references in this category, though better when racing unshod. Watch for now
9. **FASHION TOUCH** - Unreliable but not incapable of getting into the picture judged on her best references. Hard to trust but is as hard to rule out

11. **DIEGO SAUTONNE** - Has looked rather ordinary for some time now, so his chances are limited even at this level. Ignore

TUESDAY, 07/11/23

Summary : Several with chances here but no more so than GUIDE MOI FORGAN (3) who should belatedly open his account in the harness category. There are, however, a number of potential dangers, headed by FRAGONARD DELO (10), excellent in the GNT at Reims recently. DELFINO (15), sparingly raced this year, has sufficient means to fight for victory but needs to bounce back to consecutive unplaced starts. DASSERO (1), EOLIEN DE CHENU (4) and even FARAH DES CAUX (13) should all fare better in this grade having finished in that order behind Izoard Védauais in the Prix Isara.

SELECTIONS

GUIDE MOI FORGAN (3) - FRAGONARD DELO (10) - DELFINO (15) - DASSERO (1)

9. **KING TEJY** - Seldom finishes far off the mark and could get into the picture here but has no more than a place chance
10. **KINGALO DU CHENE** - Demonstrated better application to score at Cabourg recently. Will play a leading role here if confirming that improvement

12. **KING DEL PHEDO** - Finished a reassuring 2nd back under the saddle last time. Could have a role to play here if confirming that improvement
13. **KAP ORNE** - Has come to hand in the mounted code. Won two starts ago and proved his competitiveness by finishing last time, so warrants respect here
14. **KILT** - Consistent for the most part and has sound references in this code. Can get into the picture, though has more of a place chance than a winning one

Summary : Well-bred KING KONG BOY (8) has shown considerable ability in the harness category but should, on pedigree, be even more effective in this code, so it could pay to side with him in his first start under the saddle. KINGALO DU CHENE (10) got back on track by winning last time and needs only to remain wise to fight for victory again, which could also be said of KENTUCKY DANICA (7). Both KAP ORNE (13), who has found his niche in mounted races, and KENTUCKY DU CAIEU (11), with this shoeing configuration adopted for the first time, are capable of giving cheek to those aforementioned principals. Unexposed likely improver KING DE COSSIO (6) isn't out of it either.

3. **LUNGA DES BROUSSES** - Consistent sort with sound form references. Has the means to get into the picture but has no more than a place chance

12. **LUMIZIANA** - Finished 2nd on debut and confirmed that promise by winning subsequently. Is open to any amount of improvement
13. **LONG LIFE** - Talented filly with considerable means, judged on the strength and consistency of her form. Will pose a threat to LOTTA BOURBON (7)
